Drawing on critical theory and post modernism, this book argues for a new strategy for writing about the social and cultural experiences of living in modern Southeast Asian states. Contributors, many of whom work in universities in the region, question the processes of cultural transformation under conditions of globalization and rapid economic and political change. By paying attention to the specificity of what is taking place in the particular state, the book questions the conventional narratives of developmentalism and state-sponsored national peace as they are understood in Southeast Asia and shows how such understanding can be made and unmade. *The Scent of Lemon & Rosemary* Raechel Henderson, 2021-05-08. How to Lose Your Mother Molly Jong-Fast, 2025-06-03. With propulsive humor and perspective on her *annus horribilis*, Jong Fast achieves the memoir's transformative work of alchemy, arming us all with lines so good you won't just want to underline them; you will want to cut them out to share. The Washington Post: This raw, intimate memoir is a stunning portrait of difficult relationships and how we survive them. People: Molly Jong Fast's memoir is mesmerizing, intimate, wise, unputdownable, crazily honest, heartbreaking, funny, illuminating, beautiful, and painful at the same time, just like real life. Anne Lamott: From the political writer and podcaster, a ferociously honest and disarmingly funny memoir about her elusive mother's encroaching dementia and a reckoning with her complicated childhood. Molly Jong Fast is the only child of a famous woman writer, Erica Jong, whose sensational book *Fear of Flying* launched her into second-wave feminist stardom. She grew up yearning for a connection with her dreamy, glamorous, just-out-of-reach mother who always seemed to be heading somewhere that wasn't with Molly. When in 2023 Erica was diagnosed with dementia, just as Molly's husband discovered he had a rare cancer, Jong Fast was catapulted into a transformative year. *How to Lose Your Mother* is a compulsively readable memoir about an intense mother-daughter

relationship a sometimes chaotic upbringing with a fame hungry parent and the upheavals that challenge our hard won adulthood A pitch perfect balance of acceptance and rage humor and heart How to Lose Your Mother tells a universal story of loss alongside a singular story of a literary life This is a memoir that will stand alongside the classics of the genre
