R. Santos,2017-12-05 I came to the conclusion that it is not enough to make more money it is important to have a balance and also spend less There are people who make a fortune but they also spend much in superfluous products as they do not worry about the taxes they pay they will only wake up when their income decreases there they realize that they earned a lot but they also spent a lot too and did not become rich and prospered effectively It was through this realization that I sought the balance between revenue and expenditure I saw how

much I could save on taxes and fees using only the legal deductions and knowing the tax rules This is a fact that many people do not realize because they find it hard and difficult to access It was with the intention of sharing knowledge and helping to demystify this subject putting simple possibilities in common and thus helping to save money by paying less taxes in a legal way and within the rules of the system it is totally fair that the citizen search for to minimize the tax burden it pays over the years and thus have more facility to achieve financial independence and wealth You will find in this book some simple tips and some specific ones that will help you reduce how much tax paid within the law May this book be your guide in this process and help you minimize your tax expenditures **Family Trusts** N.
