

Unit 4 Overview

Welcome to Unit 4! In this unit you will study the Industrial Revolution, Capitalism, and Socialism. Upon completing this lesson you will be able to identify and understand the emergence of capitalism as a dominant economic pattern and the responses to it that influence societies in their policy making decisions during the Industrial Revolution.

Performance Task/Essential Question

Based on evidence compiled from a background reading and primary sources, you will craft an argument in response to the following writing prompt:

What political and economic factors influence societies to make policy choices for their nations?

You will be responsible to support your response by evidence, selected and cited, from primary and secondary sources. Students are required to outline and write an essay.

Here is a list of Materials that are provided in this unit:
