

The terracotta warriors placed in the tomb of Shi Huangdi reflected his power as emperor of the Qin dynasty in China from 221 to 206 B.C.

How do you think communities should make decisions about public monuments as values and needs change over time?

Beautiful headpieces are often seen on fashion runways. Do you think designers understand the meaning of the cultural symbols they use, such as this Maori woman's feather headpiece?

What other designs or symbols from the past do you see in clothing today?

American medical workers with amazing courage on the frontlines of battlefields during World War II to establish the precedent for transport to treat hospitals in the rear.

Today's frontline medical workers are also hailed as heroes for their courage and commitment.

Robotic, self-driving cars, and AI are all made possible by the microchip. This technology has changed nearly every aspect of life in the United States—from how we access information to how we communicate.
