Worth It English Edition:

A Love Worth Giving Deluxe Edition Max Lucado, 2012-03-06 Pointing out that we must love one another Lucado issues an impassioned plea to accept God's love in order to truly unselfishly whole heartedly love another **How to Choose a Translation for All Its Worth** Gordon D. Fee, Mark L. Strauss, 2009-05-26 With so many Bible translations available today how can you find those that will be most useful to you What is the difference between a translation that calls itself literal and one that is more meaning based And what difference does it make for you as a reader of God's Word How to Choose a Translation for All Its Worth brings clarity and insight to the current debate over translations and translation theories Written by two seasoned Bible translators here is an authoritative guide through the maze of translations issues written in language that everyday Bible readers can understand Learn the truth about both the word for word and meaning for meaning translations approaches Find out what goes into the whole process of translation and what makes a translation accurate and reliable Discover the strengths and potential weaknesses of different contemporary English Bible versions In the midst of the present confusion over translations this authoritative book speaks with an objective fair minded and reassuring voice to help pastors everyday Bible readers and students make wise well informed choices about which Bible translations they can depend on and which will best meet their needs **Worth Every Drop** Jonathan Henderson, 2022-09-21 I was raised to believe that there was a God and that He was a personal being As a child you don't really question what your parents tell you If they say there is a jolly three hundred pound man who delivers all the Christmas toys in one night on the backs of flying reindeer with one red headlight you believe them When I reached adolescence however I felt compelled to question everything I challenged the picture of God that emerged from the instructions given by my parents teachers and pastors And these questions weren't all of the trivial type such as Can God create a rock so heavy that He can't lift it Nope they were Why do bad things happen to good people Does everything happen for a reason and according to God's will Everything Including all the bad stuff Then there were the highly polarizing views that never appeared to be questioned such as Trust love worship and serve God or else He'll send you to hell Views like that were terrifying If God is supposed to be our caring and loving Father how could He burn to death His disobedient children I didn't think the worst parent on earth would do something that ghastly This picture was beyond toxic and left me in state of fear The fear of God made me feel small and worthless and that my only value to Him was worship and obedience I'm sorry to say but God seemed like a big bully and pushing me around didn't win over my heart Sure pushing one another down in a demonstration of strength was how my classmate Max and I became best friends in third grade but I wasn't in third grade anymore Even when I was told that God loved me and because of that love sent His Son to earth to save us all it still sounded fearsome and gruesome Did God have to torture His Son on a cross otherwise He couldn't accept me for who I am Why would God have to do that if He's the most powerful being in the universe If He wanted to save us from the pitchfork guy then He

should rescue us with His superpowers instead of some bloody seemingly orchestrated sacrificial ritual At the heart of all my questions there was essentially just one question I was asking Do I matter to God or is it only what I do for Him that matters To think that our service to Him is our only value places us as nothing more than servants or even worse slaves Yet I was assured as an adolescent that God wanted to be friends He wanted to be my best friend in fact But how many friends do you have who would kill you if you weren't their friend Zero You'd call the cops if that scenario were ever presented to you However we can't call law enforcement on God He is the law And if you don't obey His law you get a divinely enforced death sentence Thanks friend In the end it left me stuck How do you tell someone who can detonate you Thanks but no thanks I eventually arrived at the conclusion that communicated exactly what I was reaching for If God wants to truly be my friend then He should be more friendly Worth Every Drop is a journey of faith discovering a God who is consistent friendly and trustworthy It is a deep dive into the Bible to make sense of who God is and who we truly are to Him Whether you are a boomer or a millennial agnostic or a believer this book is for you **The Spectator** ,1888 **Worth the Detour** Nicholas T Parsons,2007-05-24 The guidebook has a long and distinguished history going back to Biblical times and encompassing major cultural and social changes that have witnessed the transformation of travel This book presents a journey through centuries of travel writing **A Love Worth Giving** Max Lucado,2002-07-09 God loves each of us Personally Powerfully Passionately And it's a love worth giving But before we can pass love on we must receive it ourselves Building on the principles found in 1 Corinthians 13 known as the love passage best selling author Max Lucado helps us dive into the depth and perfection of God's love exploring the ways that it can be reflected in our daily lives through patience kindness forgiveness and more For those of us feeling low on these attributes A Love Worth Giving opens the door to the transfusion we need in order to spread a love that really is worth giving *Nature* Sir Norman Lockyer,1889 The Pennsylvania Medical Journal ,1902 *Truth* ,1889 *Journal of Education and School World* ,1889 *The stranger's handbook to places worth seeing in London* ,1862 **The Academy** ,1892 **The World of Parmenides** Karl Raimund Popper,1998 This collection of essays not only elucidates the complexity of ancient Greek thought but also reveals Popper's engagement with Presocratic philosophy and the enlightenment he experienced in his reading of Parmenides **Combined Arms Center (CAC) Research and Publication Index** , Index to selected publications of the Combined Arms Center **The Publishers' Circular and General Record of British and Foreign Literature** ,1887 The Bookseller and the Stationery Trades' Journal ,1893 Official organ of the book trade of the United Kingdom *The Publishers Weekly* ,1911 *The Athenaeum* ,1859 *How to Read the Bible for All Its Worth* Gordon D.
