Story Behind the Book The night I first saw Star Wars from the backseat of my parents Ford Pinto was the first night I experienced awe It sent me on a quest that continues today There is in every one of us a longing to touch the forever to sense the magnitude of the vastness in which we live This universal longing explains why we ride roller coasters and tell scary stories This universal longing for awe also explains why after nearly thirty years the popularity of the Star Wars saga shows no sign of subsiding I wrote this book to inspire readers to relish awe and wonder because God did not only create us to long for awe but also to live in it Timothy Jones *The Official Price Guide to Star Trek and Star Wars Collectibles* Sue Cornwell, 1986
