Touch Me Again English Edition:

Sandra Kay, 2009-06-01 A forgotten land a lost heritage and a forbidden love lay in limbo for over a century A determined spirit has been waiting to reveal the anonymous truth and now an unknowing family is about to release the restrictions of the liberations it yearns for Vivian inherits a mysterious house from her mother All family members with any relations to her have long since died and so it seems there is no one to answer her many questions As she begins the quest for knowledge unsettling spirits will not let her rest Her determination becomes a mission to unveil the truth of the past She learns her Great Grandfather built the old mansion and hid many dark secrets between the walls Shame guilt and humiliation brought him to do the unthinkable Vivian searches for answers of the relatives and slaves that disappeared on the plantation some hundred years earlier The pursuit for clues the visions of apparitions is all that leads her to the truth of what happened or should I say to find the resting place of those that roam Slaves and relatives of the long ago past battle for freedom only Vivian has the willpower to be unswerving and set them free A window of the present reveals a passage to the past **The**
