Teaching Young Adult Literature Judith A. Hayn, Jeffrey S. Kaplan, Amanda L. Nolen, Heather A. Olvey, 2015-11-12 The

authors who contributed to this text believe that young adult literature YAL can meet the Common Core's push to include literacy across content areas as well as meet the standards in creative and effective ways. This text is intended to give educators a resource to aid them in creating a literacy curriculum. The included chapters written by experts from different universities across the country offer a variety of methods for using YAL to meet the standards while connecting with students. Following a framework first chapter introducing the importance of YAL and discussing its relevance, other authors tackle various ways to teach it. Each chapter may suggest different strategies and rationales for utilizing YAL, but each shares a common purpose with the others to promote the efficacy of YAL to engage students while at the same time meeting the rigorous standards set forth by the Common Core. *Bowker's Guide to Characters in Fiction*, 2003

The *Bullying Prevention Book of Lists* offers all this and more in a convenient, accessible format.
