Tourism Memorandum September 2014 Grade 12:

Maritime Claims and Boundary Delimitation Nicholas A. Ioannides, 2020-09-27 This book delves into the major developments triggered by the hydrocarbon discoveries in the Eastern Mediterranean over the last twenty years focusing on maritime boundary delimitation Examining the impact that the hydrocarbon discoveries have had on the application of the law of the sea rules by the East Med states the book looks at the new trends concerning the implementation of the law of the sea in the region The book analyses regional state practice in terms of maritime delimitation namely the conclusion of bilateral agreements based on the law of the sea rules both conventional and customary reflecting the East Med states willingness to cooperate in order to reap the benefits of the energy windfall Alongside this analysis an outline of the hydrocarbon discoveries and the pertinent maritime activities is given as well as further coverage of the overlapping maritime claims and disputes between Greece Cyprus and Turkey on one side and Lebanon and Israel on the other Moreover the book examines the validity of maritime claims made by or through non state entities in the region namely the State of Palestine the UK Sovereign Base Areas and the so called Turkish Republic of Northern Cyprus and their potential impact on the delimitation agreements already in place The book argues that the East Med paradigm concerning the successful application of the pertinent norms in maritime delimitation proves that international law is resilient and capable of providing solutions in other turbulent regions around the globe This book will be of interest and importance to academics and students of international law professionals in the oil and shipping industries legal professionals and government agencies Cyprus and the Financial Crisis John Theodore, Jonathan Theodore, 2016-01-12 The 2012 2013 economic crisis in the Republic of Cyprus is commonly attributed to a number of factors including the exposure of Cypriot banks to over leveraged local property companies the knock on effect of the Greek government debt crisis and international credit rating agencies downgrading the Cypriot government's bond credit status What followed was unexpected and controversial a bailout on condition of a one time bank deposit levy on all uninsured deposits in the country's second largest bank the Cyprus Popular Bank and on the uninsured deposits of large proportion of the island's largest commercial bank the Bank of Cyprus Many have questioned the implications of Cyprus ties with the Russian financial system as well as the draconian and unprecedented bailout terms imposed on the Cypriot population by the Eurozone There has been little written from the Cypriot perspective on these events This book presents a study of the events surrounding the recent Cypriot Financial Crisis and its impact on the Eurozone It incorporates insights from leading protagonists in the Cypriot government and banking sectors and focuses on qualitative research to assess the events that formed the backdrop of the crisis The book analyzes the policies of many public and private institutions and presents the crisis alongside other Eurozone bailouts to compare and contextualize the ongoing issues Cyprus and the Financial Crisis also explains the political and historical backdrop of the events including the wider Cypriot experience since the 1974 invasion and the unravelling financial relationship between

Cyprus Greece and Russia It incorporates the views of Cypriots from a wide and diverse spectrum and presents the resilience of the island in fighting back to beat forecasts for recovery helped by the Eldorado of gas finds off its southern shores
