Tourism Pat 2014:

Innovation Strategies and Organizational Culture in Tourism Marco Valeri, 2024-02-06 This book analyzes the importance of innovation as the key driver of sustained success in the tourism industry and the knowledge sharing process. It explores its impact on innovation capability and innovation performance of organizations. With 12 chapters written by 22 contributors, the book offers international reflections. The first part of the book focuses on innovation management strategies and analyzes the importance of innovation as the key driver of sustained success in the tourism industry. Tourism and hospitality firms develop innovations with specific objectives and goals in mind and have several approaches to measure performance accordingly. The second part of the book focuses on knowledge sharing through case studies. Chapters analyze the knowledge sharing process and its impact on the innovation capability and innovation performance of the firms. The essence of knowledge sharing is to provide a framework for management in their attempt to develop and enhance their organizational capability to innovate in tourism. This invaluable book provides both theoretical and practical insights into innovation strategies and knowledge sharing in tourism. It will interest students, scholars, and researchers as well as executives and practitioners in the field of tourism and hospitality management. Tourism in the City Nicola Bellini, Cecilia Pasquinelli, 2016-08-29 This book critically explores the interconnections between tourism and the contemporary city from a policy oriented standpoint combining tourism perspectives with discussion of urban models issues and challenges Research based analyses addressing managerial issues and evaluating policy implications are described and a comprehensive set of case studies is presented to demonstrate practices and policies in various urban contexts A key message is that tourism policies should be conceived as integrated urban policies that promote tourism performance as a means of fostering urban quality and the well being of local communities e g in terms of quality spaces employment accessibility innovation and learning opportunities In addition to highlighting the significance of urban tourism in relation to key urban challenges the book reflects on the risks and tensions associated with its development including the rise of anti tourism movements as a reaction to touristification cultural commodification and gentrification Attention is drawn to asymmetries in the costs and benefits of the city tourism phenomenon and the supposedly unavoidable trade off between the interests of residents and tourists is critically questioned

Mass Tourism in a Small World David Harrison, Richard Sharpley, 2017-05-26 This new book reviews all aspects of the phenomenon of mass tourism It covers theoretical perspectives including political economy ethics sustainability and environmentalism the historical context and the current challenges to domestic intra regional and international mass tourism As tourism and tourist numbers continue to grow around the world it becomes increasingly important that this subject is studied in depth and best practice applied in real life situations Finishing with a speculative chapter identifying potential future trends and challenges this book forms an essential resource for all researchers and students within tourism studies

Tourism Spaces Alan A. Lew, 2021-07-19 Geographic space is a fundamental and essential construct of the physical reality within which we live move and construct our world Through space we create others anything that is any distance from us and we experience time by moving from one place point to another Because it is so fundamental to our experience we often take geographic space for granted *Tourism Spaces Environments Locations and Movements* shows some of the ways that geographers and other social scientists bring spatial considerations to the forefront of our research and understanding of tourism This is seen through the spatial arrangements and distributions of tourism phenomena such as attractions destinations and in the spatial behaviour of tourists themselves Today these spatial arrangements and patterns are increasingly being captured analysed and understood through various forms of formal and informal digital data The chapters in this book were originally published as a special issue of *Tourism Geographies*

Food Tourism and Regional Development
C. Michael Hall, Stefan Gössling, 2016-05-26 Food tourism is a topic of increasing importance for many destinations Seen as a

means to potentially attract tourists and differentiate destinations and attractions by means of the association with particular products and cuisines food is also regarded as an opportunity to generate added value from tourism through local agricultural systems and supply chains and the local food system From a regional development perspective this book goes beyond culinary tourism to also look at some of the ways in which the interrelationships between food and tourism contribute to the economic environmental and social wellbeing of destinations communities and producers It examines the way in which tourism and food can mutually add value for each other from the fork to the plate and beyond Looking at products e g cheese craft beer noodles wine attractions restaurants and events and diverse regional examples e g Champagne Hong Kong Jamaica Margaret River southern Sweden and Tuscany the title highlights how clustering networking and the cultural economy of food and tourism and foodscapes adds value for regions Despite the attention given to food wine and culinary tourism no book has previously directly focused on the contribution of food and tourism in regional development This international collection has contributors and examples from almost every continent and provides a comprehensive account of the various intersections between food tourism and regional development This timely and significant volume will inform future food and tourism development as well as regional development more widely and will be valuable reading for a range of disciplines including tourism development studies food and culinary studies regional studies geography and environmental studies

Gastronomic Tourism Anukrati Sharma,Jeetesh Kumar,Samik Ray,2025-09-18 Gastronomy is a fundamental aspect of culture and the food and cuisine of any region can provide rich insights into the local lifestyle and traditions Gastronomic tourism therefore involves visiting food producers restaurants food festivals or other establishments where visitors can dine and experience the typical products of a region It is an enjoyable way for tourists to discover the cultural heritage of the places they visit and culinary pleasure is becoming an increasingly decisive factor when choosing a travel destination In certain regions gastronomy has been recognised as an Intangible Cultural Heritage by UNESCO and the promotion of local traditional cuisine can be a way to rediscover and preserve local or regional values through culinary riches Gastronomic tourism is also a factor of economic improvement for different destinations particularly in developing countries This book emphasises the importance of many related factors in gastronomic tourism which often focuses exclusively on food and cooking rather than the whole experience The book therefore also focuses on culture commitment passion learning emotions and experiences associated with gastronomy and considers how gastronomic tourism can contribute to achieving Sustainable Development Goals

Imagining the American West through Film and Tourism Warwick Frost,Jennifer Laing,2015-06-05 The West is one of the strongest and most enduring place images in the world and its myth is firmly rooted in popular culture whether novels film television music clothing and even video games The West combines myth and history rugged natural scenery and wide open spaces popular culture and promises of transformation These imagined places draw in tourists attracted by a cultural heritage that is part fictional and mediatised In turn tourism operators and destination

marketing organisations refashion what they present to fit these imagined images This book explores this imagining of a mythic West through three key themes travel film and frontiers to offer new insight into how the imagination of the West and popular culture has influenced the construction of tourism In doing so it examines the series of paradoxes that underlie the basic appeal of the West evocative frontier a boundary zone between civilisation and wilderness and between order and lawlessness It draws on a range of films and literature as well as varying places from festivals to national parks to showcase different aspects of the nexus between travel film and frontiers in this fascinating region Interdisciplinary in character it includes perspectives from cultural studies American studies tourism and film studies Written by leading academics this title will be valuable reading for students researchers and academics in the fields of cultural studies tourism film studies and media studies and all those interested in film tourism

Protected Area Regulation and Tourism Dinica, Valentina, 2022-04-08 This innovative book proposes a conceptual framework to integrate the ecological and tourism aspects of Protected Area regulation assisting decision makers to develop contextually effective laws and management plans that avoid over regulating or under regulating tourism given the areas ecological profiles

Mobilities, Tourism and Travel Behavior Leszek Butowski, 2018-01-17 The notion of mobilities when looked at from a practical point of view turns out to cover different kinds of human activity It is not surprising then that when approached from an academic perspective it reveals enormous potential for interdisciplinary research which has proven extremely attractive to many scholars from different continents disciplines and schools of academic inquiry The scholars in this volume focus on the specific aspects of mobilities namely tourism and travel behavior but approach them from a plethora of positions Such a myriad of perspectives is bound to be challenging in methodological terms but it seems there is a growing agreement as to the worthiness of this interdisciplinary research By means of combining various approaches researchers obtain access to a fascinating and increasingly ubiquitous phenomenon of contemporary human mobility

Sustainable Asia Patrick Schroeder, Kartika Anggraeni, Silvia Sartori, Uwe Weber, 2016-12-12 In the emerging narrative of sustainable development in Asia the essential challenge is to reduce the use of natural resources and environmental degradation alongside the increasing demand for goods and services To achieve this Sustainable Consumption and Production SCP one of the Sustainable Development Goals SDGs adopted by the United Nations in 2015 aims at reconciling the three goals of minimising the extraction of natural resources from the environment limiting waste and emissions over the life cycle of goods and services and improving human development and wellbeing Sustainable Asia Supporting the Transition to Sustainable Consumption and Production in Asian Developing Countries provides an overview and analysis of the current status of SCP in Asian developing countries The book focuses on projects

supported by the EU funded SWITCH Asia Programme a regional development cooperation programme promoting the adoption of SCP practices among small and medium sized enterprises SMEs and consumer groups in Asia since 2007 For readers looking for a comprehensive introduction to the topic of SCP together with a detailed analysis of the current developmental situation in various Asian developing countries and key sectors such as manufacturing tourism renewable energy and agriculture this book is an invaluable tool The book examines in detail the SCP approaches and innovative solutions demonstrated by the SWITCH Asia supported projects in Asia and thus serves as a reference for practitioners researchers and policymakers alike

A Sustainable Tourism Workforce Shelagh Mooney, Richard N.S. Robinson, David J. Solnet, Tom Baum, 2024-02-15 This book brings together issues of social justice and the neglect of a sustainable orientation to the tourism workforce This has resulted in an impoverished unsustainable and transient workforce that does not meet the aims of UN sustainable goals within the sector or indeed the UNTWO Code of ethics towards its employees The introductory review and 15 chapters in this volume each make a unique and distinct contribution to knowledge The opening review presents a critique of current definitions of sustainability in an employment and specifically in a tourism employment context acknowledging and critiquing extant literature It uniquely recognises the themes submitted on the topic of sustainable work in the book as well as those which comprise the final selection of chapters These exercises culminate in the presentation of a refreshed conceptualisation of sustainable employment The chapters were mapped onto a proposed conceptual framework which recognises the multi dimensional influences of the evolving Sustainable Development Goals SDGs recent Sustainable Human Resource Management SHRM and tourism literature and fresh contributions to theory Additionally the introductory review offers concluding remarks that the authors hope will influence and guide future research endeavours The book will be invaluable to educators students and policymakers interested in information and guidance on managing sustainable tourism Several chapters in this book were originally published as a special issue of the Journal of Sustainable Tourism

Tourism and Geopolitics Derek R Hall, 2017-01-25 With 29 contributors from across Europe and beyond this work represents a unique and important resource that examines the many relationships between tourism and geopolitics with a focus on experiences drawn from Central and Eastern Europe It begins by assessing the changing nature of geopolitics from pejorative associations with Nazism to the more recent critical and feminist geopolitics of social science s cultural turn The book then addresses the important historical role of Central and Eastern Europe CEE in geopolitical thinking before exemplifying a range of contemporary interactions between tourism and geopolitics within this critical region Pursuing innovative analytical paths the book demonstrates the interrelated nature of tourism and geopolitics and emphasizes the freshness of this research area Addressing key principles and ideas which are applicable globally it is an essential source for researchers teachers and students of tourism geography political science and European studies as well as for diplomatic business and consultant practitioners

Mountain Tourism Harold Richins, John Hull, 2016-02-19 Mountains have long held an appeal for people

around the world This book focusses on the diversity of perspectives interaction and role of tourism within these areas Providing a vital update to the current literature it considers the interdisciplinary context of communities the creation of mountain tourism experiences and the impacts tourism has on these environments Including authors from Europe Asia Pacific and North America the development planning and governance issues are also covered

Communities and Cultural Heritage Valerie Higgins,Diane Douglas,2020-11-29 Communities and Cultural Heritage explores the relationship between communities their cultural heritage and the global forces that control most of the world s wealth and resources in today s world Bringing together scholars and heritage practitioners from nine countries this book contributes to the ongoing dialogue on community heritage by analysing impediments to full community participation The underminin of local communities comes at a high price As the chapters in this book demonstrate the knowledge embedded within traditional and Indigenous heritage creates communities that are more resilient to environmental and social stressors and more responsive to contemporary challenges such as climate change environmental degradation post disaster recovery and relocation Cultural heritage practices often fail to capitalise upon local knowledge and traditional skills and undervalue the potential contribution of local communities in finding creative and resourceful solutions to the issues they are confronting Arguing that the creation of successful community heritage project requires ongoing reflection on the aims methods financing and acceptable outcomes of projects the volume also demonstrates that the decolonization of Western focussed heritage practices is an ongoing process by which subaltern groups are brought forward and given a space in the heritage narrative Reflecting on trends that impact communities and heritage sites across different geographical regions Communities and Cultural Heritage will be of interest to academics students and practitioners of cultural heritage archaeology and anthropology around the world
