Tourism Question Paper For June 2013:

Tourism and Citizenship Raoul Bianchi, Marcus Stephenson, 2014-02-24 More than sixty years since the 1948 Universal Declaration of Human Rights first enshrined the right to freedom of movement in an international charter of human rights the issue of mobility and the right to tourism itself have become increasingly significant areas of scholarly interest and political debate However despite the fact that cross border travel implies certain citizenship rights as well as the material capacity to travel the manifold intersections between tourism and citizenship have not received the attention they deserve in the literature This book endeavours to fill this gap by being the first to fully examine the role of tourism in wider society through a critically informed sociological reflection on the unfolding relationships between international tourism and distinct renderings of citizenship with particular emphasis on the ideological and political alignments between the freedom of movement and the right to travel The text weaves its analysis of citizenship and travel in the context of addressing large scale societal transformations engendered by globalization neoliberalism and the geopolitical realignments between states as well as comprehending the internal reconfiguring of the relationship between citizens and states themselves By doing so it focuses on key themes including tourism and social citizenship rights race culture and minority rights states markets and the freedom of movement tourism peace and geo politics consumerism and class and ethical tourism global citizenship and cosmopolitanism The book concludes that the advancement of genuinely democratic and just forms of tourism must be commensurate with demands for distributive justice and a democratic politics of mobility encompassing all of humanity This timely and significant contribution to the sociology and politics of international tourism through the lens of citizenship is a must read for students and scholars in both in the fields of tourism and social science The royalties received from this book will be donated to the International Porter Protection Group

Tourism in the Green Economy Maharaj Vijay Reddy, Keith Wilkes, 2015-06-05 The concept of the green economy has now entered mainstream policy debates and been endorsed by a range of United Nations and other organizations The Rio 20 UN conference specifically drew attention to the green economy approach in the context of sustainable development to move away from business as usual practices act to end poverty address environmental destruction and build a bridge to the sustainable future It is increasingly recognized that the tourism sector can make a major contribution to the green economy through more sustainable practices climate change mitigation and ecotourism The role of tourism sector will continue to be crucial in the post 2015 sustainable development agenda too However there are ambiguities about how tourism and allied industries can maximize their contribution to human well being and ensure environmentally sustainability embracing issues of political economy geography and business ethics In this context this book provides consensus about what the green economy entails what role tourism can play in a green economy early responses from many countries on going and emerging research initiatives that will enable tourism s transition to a green economy The chapters address three key themes understanding the Green Economy concept and the role of tourism

responses and initiatives in greening tourism and emerging techniques and research implications A wide range of case studies from around the world and in different contexts is included to demonstrate the extent of the challenge and range of opportunities for the tourism industry

Tourism and Development in Sub-Saharan Africa Marina Novelli, 2015-09-16 Over the past 20 years the perception of tourism as an effective contributor to socio economic development in the developing world has propagated with many viewing tourism as a provider for poverty alleviation and towards other UN Millennium Development Goals Over the same period readers have become familiar with the paradoxes complexities and inequalities of tourism in relation to development wealth creation growth redistribution governance and hosts guests relationships This volume further extends this critical debate with a much needed cohesive publication on Sub Sahara Africa SSA In an era of fluctuating tourist arrivals at global level the growth of tourism in SSA requires deeper consideration in terms of its inconsistent and questionable implications at local level Taking as a central theme the debate on whether tourism should be used in

development efforts this book examines the way in which tourism has controversially become the way forward to development in several SSA locations and assesses bottlenecks to sustainable development as well as dilemmas and challenges faced by those SSA destinations seeking to achieve development through tourism It offers an explicit set of chapters adopting a multi disciplinary approach drawing upon tourism studies human geography sociology anthropology political economy development and environmental studies and integrates case studies authored by local African practitioners and academics to produce a book that gave voice to local experts on local realities Combining an overview of key theories concepts contemporary issues and debates as well as practical insights from a wide range of regions in SSA this book will be a valuable resource for those investigating the role of tourism in development Contemporary Tourism Chris Cooper,C Michael Hall,2016-02-29 Now in its third edition this text presents a new and refreshing approach to the study of tourism This new edition now includes coverage of researching social media crowd sourced strategies the millennial tourist generation and green growth and sustainable tourism Instability and Tourism María Santana-Gallego,ShiNa Li,2020-04-28 The rise of political instability and terrorism necessitates a reassessment of various tourism policy issues This book focuses upon evaluating the impact of terrorist political conflicts and other types of instability on the tourism sector and considers the practical implications for countries being adversely affected by these episodes Over the last decades tourism has been adversely affected by a wide range of problems such as economic crises social conflicts political instability terrorism and wars Each of these and their consequences on tourism confirms the need to understand more about potential mitigating policy interventions in different contexts This book includes six chapters exploring a wide range of themes related to instability and tourism using innovative approaches and considering different countries for their research Precisely countries such as Turkey Ukraine Jordan Egypt and Nepal are under analysis The articles published in this special issue were written by authors affiliated with universities in the USA New Zealand Spain Egypt Jordan and Bulgaria All selected papers underwent a rigorous double blind review process before final revision and acceptance The chapters were originally published in a special issue in the Journal of Policy Research in Tourism Leisure Events **Handbook on Medical Tourism and Patient Mobility** Neil Lunt,Daniel Horsfall,Johanna Hanefeld,2015-06-29 The growth of international travel for purposes of medical treatment has been accompanied by increased academic research and analysis This Handbook explores the emergence of medical travel and patient mobility and the implications for patients and hea *Tourism and Sustainable Development Goals* Jarkko Saarinen,2020-06-29 This comprehensive volume comprises some of the best scholarship on sustainable tourism in recent years demonstrating the rich body of past research that provides a fertile and critical ground for studies on the Sustainable Development Goals SDGs by tourism geographers and other social scientists in the future Since the turn of the 1990s many international development and policy making organisations have perceived the tourism industry with its local and regional connections as a high potential tool for putting sustainable development into practice The

capacity of tourism to work for sustainable development was highlighted in relation to the United Nations SDGs which were adopted in 2015. The SDGs define the agenda for global development to 2030 by addressing pertinent challenges such as poverty, inequality, climate change, environmental degradation, and peace and justice. Tourism geographers and allied disciplines have held strong and long-term interest in sustainability issues, and their chapters in this collection contribute significantly to this emerging and highly policy-relevant research field. This book was originally published as an online special issue of the journal *Tourism Geographies*. Cultural and Tourism Innovation in the Digital Era Vicky Katsoni, Thanasis Spyriadis, 2020-02-13. This book explores a wide range of emerging cultural heritage and other tourism issues that will shape the future of hospitality and tourism research and practice in the digital and innovation era. It offers stimulating new perspectives in the fields of tourism, travel, hospitality, culture, and heritage, leisure, and sports within the context of a knowledge society and smart economy. A central theme is the need to adopt a more holistic approach to tourism development that is aligned with principles of sustainability. At the same time, the book critically reassesses the common emphasis on innovation as a tool for growth-led and market-oriented development. In turn, fresh approaches to innovation practices underpinned by ethics and sustainability are encouraged, and opportunities for the exploration of new research avenues and projects on innovation in tourism are highlighted. Based on the proceedings of the Sixth International Conference of the International Association of Cultural and Digital Tourism (IACuDiT) and edited in collaboration with IACuDiT, the book will appeal to a broad readership encompassing academia, industry, government, and other organizations. Information and Communication Technologies in Tourism 2017 Roland Schegg, Brigitte Stangl, 2017-01-03.
