The Record of My Heart Georgina Guthrie,2015-03-24 Daniel Grant desperately wants Aubrey Price a woman he can't have at least not for two long months He could give up and walk away but he won't Following in his grandfather's footsteps he waits And while he waits he writes Through a series of journals and letters *The Record of my Heart* traces Daniel's romantic contemplations what he calls the secret musings of a man tumbling headfirst in love *Missing Pieces* Meredith Tate,2015-03-03 Your family is the most important part of your life Your families are the people you love and love is what separates us from scoundrels and criminals It maintains order Your parents your sibling and your Partner are the ones you love There should never ever be anyone else who comes close to that bond You have only one best friend and that is the person you'll be marrying someday We must learn to differentiate the relationships in our lives the people we love and the ones we don't It's inappropriate it's foolish and it's forbidden to think otherwise Trace Bailey's mouth is her worst enemy somehow it always gets her in trouble Luckily she has a partner in crime her best friend and neighbor since age seven Piren Allston He can't get enough of her crazy sense of humor and she loves that he's always up for another adventure They can't be friends though not in their world Trace and Piren were Assigned to other people at the age of six and they're supposed to marry their Partners when they turn twenty four Failure to comply leads to Banishment a fate worse than death Worse still is the growing realization that their bond is stronger than just friendship In a world without freedom there are still choices to be made Following their hearts means losing their family but following the law means losing each other Forever **Skygods** Sarah Latchaw,2014-12-02 Kaye Trilby and her ex husband world famous author Samuel Cabral vowed to fight for their rekindled love in rain or shine They didn't realize they'd be caught in a deluge so quickly A near fatal skydiving accident shows Kaye how her reckless behavior affects the ones she loves But while she knows Samuel is afraid to lose her again she isn't ready to give up the thrill of the wild backcountry Something darker is slipping into Samuel's mind though The specters of his past are re-emerging His polish is deteriorating just as all of Hollywood is bracing for his blockbuster book to movie adaptation When he appears on Kaye's doorstep late one night in a rumpled tuxedo erratic and agitated it seems that romance with her ex might be her biggest leap yet A string of failed relationships has pushed Samuel to the brink the fall out leaving him in a dark place a place where Kaye is powerless to help him She is reluctantly drawn back into Samuel's glittering and backbiting world of celebrity all the while clinging to the steadfast peaks of home *The Counterfeit* Tracy Winegar,2015-03-31 Serena Stark is a farmer's daughter who has never been past the limits of her small town never seen or done anything remarkable in her life After the death of her older brother Caleb she feels as though she is beginning to disappear completely When Caleb's best friend Sam who she's secretly loved from afar for years joins up to fight for the Union in the war Serena can't bear the thought of losing him as well One night in a desperate and rash decision Serena cuts her hair dresses in Caleb's old clothes and strikes off to join up too Now she is Frank Stark fighting with the Army of the
