odd characteristic for any wolf but still it was a concern for the hunters All these tidbits of information just enticed Roman and Elsbone even more and it heightened their hunting and ego desires The two English veteran hunters were now traveling toward their prey and compensations as they were now heading toward the foothills of the snowcapped Himalayas the hunting grounds of the Devil Dogs The huntsmen eventually had left their regular and familiar stomping grounds of South Africa years earlier because of the civil turmoil that continues to cause chaos and havoc with many of the unsettled tribes and conformed city dwellers The other object and issue was now there are all the new restrictions and hunting laws causing hardship on hunters and trappers also there were the conservation laws protecting the wild beast limiting them even more Elsbone and Roman left Africa and went and took their trade to South America But after some time they grew tired of the humid atmosphere the different language and customs along with the constant damp eerie rain forest So now they were here in India following the harsh rumors of the ferocious wild Devil Dogs that killed cattle pigs and villagers and now they also heard even killed mountain lions The hunters journey did have some hardships They needed to travel far through hot rough desolate deserts with very cold nights Sexy Beasts Wensley Clarkson, 2016-04-05 In what has been described as a true life blend of Grumpy Old Men and Ocean's Eleven SEXY BEASTS is an insider account of the 2015 Hatton Garden Heist in which a group of retirement age career criminals the so called Diamond Geezers robbed a London jewelry vault in what would be the biggest burglary in UK history The Hatton Garden Heist captured the British public s imagination more than another other crime since The Great Train Robbery It was supposed to make a fortune for a team of old time professional criminals Their last hurrah A final lucrative job that would send the old codgers off on happy retirements to the badlands of Spain and beyond It seemed to be the stuff of legends Tens of millions of dollars worth of valuables grabbed from safety deposit boxes in a vault beneath one of the most famous jewelry districts in the world But where did it all go wrong for this band of old time villains And how did the gang s bid to pull off the world s biggest burglary turn into a deadly game of cat and mouse featuring the police and London's most dangerous crime lords Nobody is better placed to reveal the full story of the Hatton Garden Heist than Britain's best connected true crime writer Wensley Clarkson Through his unparalleled contacts inside the criminal underworld he s finally able to reveal the astonishing details behind Britain s biggest ever burglary
