Bartle, 2002-12-30 An annotated list of reference works in the fields of science fiction fantasy and horror fiction **Exploring Star Trek: Voyager** Robert L. Lively, 2020-04-16 In 1995 *Star Trek Voyager* brought a new dynamic to *Star Trek*'s familiar starship oriented show Lost 70 000 light years in space *Voyager* and its crew faced an uncertain and changeable future echoing anxieties felt in the United States at the time These fifteen essays explore the context characters and themes of *Star Trek Voyager* as they relate to the culture and zeitgeist of the 1990s Essays on gender show how the series both challenges and reinforces typical SF stereotypes through the characters of Captain Janeway Kes and Seven of Nine while essays on identity examine the show's intersections with disability studies race and multiracial identities family dynamics and emerging AI and humanity Using the epic journey of Homer's *Odyssey* as a starting point for the series and ending with an examination of the impacts of inception at the birth of the internet age this book shows the many ways in which *Voyager* negotiated different perspectives for what the future of the galaxy and the USA could be *Cinefantastique*, 2002 **"Hailing frequencies open"** Thomas D. Parham, III, 2019-07-29 *Star Trek The Next Generation* blended speculative science fiction and space opera in its portrayal of communication Multiple modes of communication used between characters are presented and the multilevel tapestry of communication in the series is critical in its appeal This

book proposes that these patterns of communication reveal a foundational philosophy of Star Trek while enticing millions of viewers These patterns serve both to cause strong empathetic connections with characters and to impel viewers to form relationships with the show explaining their extreme devotion *Net Guide* Kelly Maloni,1995 **The Star Trek**

NITPICKER'S GUIDE FOR DEEP SPACE (NEXT) Phil Farrand,2013-09-11 Every episode of the first four seasons of equipment oddities weird science strange but true observations and nutty technical difficulties for discriminating fans of Deep Space Nine Commanders Log DS9 Star Date 46379 1 Bajor below The cosmos above Bloopers Everywhere How long is the wormhole In Emissary it is 70 000 light years Four episodes later Sisko says it is 90 000 Better check the odometer Sisko Does the Space Station rotate Sometimes it does and sometimes it doesn't Look at the stars in the windows Now that NextGen is history the time has come to take a leap through hyperspace and land on Deep Space Nine It's unexplored territory for nitpicking the ultimate challenge for discriminating fans This guide brings you the scoop on Deep Space Nine the good the bad and the Ferengi Author Phil Farrand with a little help from his Trekker friends has had his VCR in warp drive and surveyed every DS9 episode of the first four seasons for the glitches gaffs and goofs that neither the station's engineers nor the show's writers have solved Sit yourself down with this guide in one hand your remote control in the other and see for yourself what the wormhole has wrought Indian Stereotypes in TV Science Fiction Sierra S. Adare,2009-08-17

According to an early 1990s study 95 percent of what college students know about Native Americans was acquired through the media leading to widespread misunderstandings of First Nations peoples Sierra Adare contends that negative Indian stereotypes do physical mental emotional and financial harm to First Nations individuals At its core this book is a social study whose purpose is to explore the responses of First Nations peoples to representative Indian stereotypes portrayed within the TV science fiction genre Participants in Adare's study viewed episodes from My Favorite Martian Star Trek Star Trek Voyager Quantum Leap The Adventures of Superman and Star Trek The Next Generation Reactions by viewers range from optimism to a deep rooted sadness The strongest responses came after viewing a Superman episode's depiction of an evil medicine man who uses a ceremonial pipe to kill a warrior The significance of First Nations peoples responses and reactions are both surprising and profound After publication of *Indian Stereotypes in TV Science Fiction* ignorance can no longer be used as an excuse for Hollywood's irresponsible depiction of First Nations peoples culture traditions elders religious beliefs and sacred objects *Cinematic Women, From Objecthood to Heroism: Essays on Female Gender Representation on*

Western Screens and in TV Productions Lisa V. Mazey, 2020-05-05 Women have fulfilled film roles that exhibit their historically subservient or sexualised positions in society among others Over the decades the gender identity of women has fluctuated to include powerful women emotionally strong women lesbian women and even neurologically atypical women These identities reflect the change in societal norms and what is now acknowledged as more likely and more mainstream The evolution of society's views of women can be mapped through these roles from 1950's America where women were depicted as the counterpart to male characters and their masculinity either as a threat or support to the patriarchal norms to more recent times where these norms have been questioned challenged deconstructed and reconstructed to include women in a more equitable balance The fight for equal access equal pay and equal standing still exists in all walks of life and different cultures requiring continued scrutiny of the norms that made that fight necessary The essays offer a unique vantage of the changing culture and conversations that allowed encouraged and praised an evolution of women's roles They strive to represent the issues faced by women from the early heyday of Hollywood through to films as recent as 2007 examining depictions of the masculine gaze mental and physical oppression the mother figure as well as how these roles may develop in the future The book contains valuable material for film students at an undergraduate or post graduate level as well as scholars from a range of disciplines including cultural studies media studies film studies and women's and gender studies

Star Trek Chronology Michael Okuda, Denise Okuda, 1996 A comprehensive chronology of Star Trek history begins with the birth of Captain James T Kirk and his service on the Enterprise to the most recent adventures of Captain Jean Luc Picard and his crew From product's description *Queer TV* Nancy San Martin, 2002 **Exploring Space: 1999** John Kenneth Muir, 2015-09-15 Starring internationally renowned actors Martin Landau Barbara Bain Barry Morse and Catherine Schell the British made Space 1999 was the only truly original space adventure of the mid 1970s Sandwiched between the demise of the original Star Trek and the opening of the Stars Wars series on the big screen Space 1999 featured a richly visualized world where space was terrifying and mysterious where not all problems were solvable by technology and the space travelers were very human From the science fiction show's conception in 1973 to its cancellation in 1977 this reference work covers each of the 48 episodes in depth including a full plot synopsis writer director guest star credits and critical commentary that examines both the episode and other shows that have used similar plotlines The popularity of Space 1999 memorabilia and its many fan clubs are fully discussed along with the possibility of a future movie or reunion show that would tie up the loose ends caused by the show's abrupt cancellation **Film Review**, 2001 [The Trekker's Guide to Voyager](#) Hal Schuster, 1996 In 1995 almost 30 years after the premier of the original Star Trek R Paramount Pictures aired a new Star Trek series Star Trek Voyager R was the flagship of its new network UPN and the first Star Trek created without the input and guidance of the franchise's creator Gene Roddenberry In The Trekker's Guide to Voyager you'll learn what goes on both behind and in front of the camera in the words of the people closest to the events Nowhere else will you find detailed

biographies of the actors and production crew complete character profiles and in depth specs on every alien in the Delta Quadrant Learn exactly why Genevieve Bujold quit the role of Captain Janeway just 2 days after she began work on the show Discover why Voyager is the fourth series including Generations in which Tim Russ appears And just how far away is the Delta Quadrant anyway It s all here and nowhere else Plus The Trekker s Guide to Voyager features a special guide to the first two seasons of the show along with a discussion of the oversights inaccuracies and outright blunders that mysteriously appear from time to time Everything from confused camera angles to disappearing shoes to plot holes through which you could pilot a starship is covered in this comprehensive guide Totally uncensored utterly fascinating and intricately detailed this book is the ultimate guide to Star Trek Voyager About the Author Hal Schuster is the author of numerous unauthorized Star Trek books and the former editor and publisher of Enterprise Incidents and Comics Feature magazines He lives in Berkeley California and Bangkok Thailand This book was not approved prepared licensed or endorsed by any entity involved in creating or producing the Star Trek television series or films

Star Trek Duncan Barrett,Michèle Barrett,2016-08-05 In a world shrunk by modern transport and communication Star Trek has maintained the values of western maritime exploration through the discovery of strange new worlds in space Throughout its fifty year history the starry sea has provided a familiar backdrop to an ongoing interrogation of what it means to be human This book charts the developing Star Trek story from the 1960s through to the present day Although the core values and progressive politics of the series earliest episodes have remained at the heart of Star Trek throughout half a century in other ways the story it tells has shifted with the times While The Original Series and The Next Generation showed a faith in science and rationalism and in a benign liberal leadership with Deep Space Nine and Voyager that modern order began to decline as religion mental illness and fragmented identities took hold Now fully revised and updated to include the prequel series Enterprise and the current reboot film series this new second edition of Star Trek The Human Frontier published to coincide with Star Trek s golden jubilee celebrations addresses these issues in a range of cultural contexts and draws together an unusual combination of expertise Written to appeal to both the true Trekker and those who don t know Star Trek from Star Wars the book explores and explains the ideas and ideals behind a remarkable cultural phenomenon

Science Fiction Television Series Mark Phillips, Frank Garcia,1996 Whether rocketing to other worlds or galloping through time science fiction television has often featured the best of the medium The genre s broad appeal allows youngsters to enjoy fantastic premises and far out stories

while offering adults a sublime way to view the human experience in a dramatic perspective From Alien Nation to World of Giants this reference work provides comprehensive episode guides and cast and production credits for 62 science fiction series that were aired from 1959 through 1989 For each episode a brief synopsis is given along with the writer and director of the show and the guest cast Using extensive research and interviews with writers directors actors stuntmen and many of the show s creators an essay about each of the shows is also provided covering such issues as its genesis and its network and syndication histories
