Martyrs Mirror David L. Weaver-Zercher, 2016-03-15 The first scholarly history of the iconic Anabaptist text Approximately 2 500 Anabaptists were martyred in sixteenth and early seventeenth century Europe Their surviving brethren compiled stories of those who suffered and died for the faith into martyr books The most historically and culturally significant of these The Bloody Theater more commonly known as Martyrs Mirror was assembled by the Dutch Mennonite minister Thieleman van Braght and published in 1660 Today next to the Bible it is the single most important text to Anabaptists Amish Mennonites and Hutterites In some Anabaptist communities it is passed to new generations as a wedding or graduation gift David L Weaver Zercher combines the fascinating history of Martyrs Mirror with a detailed analysis of Anabaptist life religion and martyrdom He traces the publication use and dissemination of this key martyrology across nearly four centuries and explains why it holds sacred status in contemporary Amish and Mennonite households Even today the words and deeds of these martyred Christians are referenced in sermons Sunday school lessons and history books Weaver Zercher argues that Martyrs Mirror was designed to teach believers how to live a proper Christian life In van Braght s view accounts of the martyrs helped to remind readers of the things that mattered thus inspiring them to greater faithfulness Martyrs Mirror remains a tool of revival offering new life to the communities and people who read it by revitalizing Anabaptist ideals and values Meticulously researched and illustrated with sketches from early publications of Martyrs Mirror Weaver Zercher s ambitious history weaves together the existing scholarship on this iconic text in an accessible and engaging way

A Mighty Striving Muhammad Ahmad, This is a biography of Maulana Muhammad Ali d 1951 the world famous author of several highly acclaimed books on Islam including an English translation of the Holy Quran with commentary Besides being a history of his life and work and the history of the Lahore Ahmadiyya Movement it also vividly portrays his burning desire to present to the modern and Western world the pristine Islam based directly on the Holy Quran and the Holy Prophet Muhammad s teachings a religion of peace tolerance reason and moderation which seeks to win over people s hearts and minds The Mighty Striving with the Quran which the Maulana urged upon Muslims is the only way to restore the dignity of Islam in the light of the misunderstandings between Muslims and the West

Mathematics in Civilization, Third Edition Howard L. Resnikoff, Raymond O. Wells, Jr., 2015-05-05 Space flight computers lasers and information technology these are but a few examples of the spectacular growth development and far reaching applications of mathematics But what of the field s past Upon which intellectual milestones were the foundations of modern mathematics constructed How has our comprehension of the physical universe language and the nature of thought itself been influenced and informed by the developments of mathematics through the ages This lucid presentation examines how mathematics shaped and was shaped by the course of human events In a format suited to college level studies as well as popular reading the book explores trigonometry navigation cartography logarithms algebra and calculus through ancient medieval post Renaissance and

modern times Solutions to problems appear at the end of each chapter and this edition has been newly expanded to include a supplement on events in mathematics since the 1985 publication of the first Dover edition Acclaimed by Telegraphic Reviews as an exceptionally good liberal arts math text this highly readable treatment makes a technical subject vividly fascinating

The Calling of the Nations Mark Vessey, Sharon Betcher, Robert Daum, Harry O. Maier, 2011-12-15 Current notions of nationhood communal identity territorial entitlement and collective destiny are deeply rooted in historic interpretations of the Bible Interweaving elements of history theology literary criticism and cultural theory the essays in this volume discuss the ways in which biblical understandings have shaped Western and particularly European and North American assumptions about the nature and meaning of the nation Part of the Green College Lecture Series this wide ranging collection moves from the earliest Pauline and Rabbinic exegesis through Christian imperial and missionary narratives of the late Roman medieval and early modern periods to the entangled identity politics of mainstream nineteenth and twentieth century North America Taken together the essays show that while theories of globalization postmodernism and postcolonialism have all offered critiques of identity politics and the nation state the global present remains heavily informed by biblical historical intuitions of nationhood

From Earth to Art , 2022-06-08 From Earth to Art presents papers from the Early Medieval Plant Studies symposium a meeting designed to explore the various disciplines which could help to elucidate the plant names of Anglo Saxon England many of which are not understood The range of disciplines represented includes landscape history place name studies botany archaeology art history Old English literature the history of food and of medicine and linguistic approaches such as semantics and morphology This collection represents a first experimental step in the work of the Anglo Saxon Plant Name Survey ASPNS a multidisciplinary research project based in the University of Glasgow ASPNS is dedicated to collecting and reviewing for the first time the total multidisciplinary evidence for each plant name and establishing new or improved identifications The results will have implications for various historical studies such as agriculture pharmacology nutrition climate dialect and more Included in the book is the first ASPNS word study concerned with the Old English word *spe* the ancestor of *aspen* and it is shown that this tree name had a broader meaning than has hitherto been suspected This book will be of interest to historians botanists archaeologists linguists geographers gardeners

herbalists conservationists and anyone interested in the crucial role of plants in history **Journey Through the Old Testament** ,2015-06-15 Whoever starts on a Journey should be prepared for surprises The Old Testament offers a wealth of wonderful stories The stories talk about people who are on a quest for God with all their heart and soul About skeptics unhappy people and enthusiasts About people just like you and me About life as it is With all its worries anxieties and unfairness But also about God who makes His face shine upon us Who does not abandon us We should not deprive our children of this hope If we read these stories with them we can awaken their longing for God We may perhaps also arouse their curiosity And touch their heart and move their mind with pictures from two thousand years of art Thus igniting a life long journey in search of God With easy to understand picture explanations for children and textual commentaries for adults A read aloud book for children ages 5 and up a book to be read on one s own for children ages 8 and up and a book to lose yourself in for adults of all ages **Mother Goose Refigured** Christine A. Jones,2016-11-07 Mother Goose Refigured presents annotated translations of Charles Perrault s 1697 fairy tales that attend to the irony and ambiguity in the original French and provide a fresh take on heroines and heroes that have become household names in North America Charles Perrault published *Histoires ou Contes du temps pass* Stories or Tales of the Past in France in 1697 during what scholars call the first vogue of tales produced by learned French writers The genre that we now know so well was new and an uncommon kind of literature in the epic world of Louis XIV s court This inaugural collection of French fairy tales features characters like Sleeping Beauty Cinderella and Puss in Boots that over the course of the eighteenth century became icons of social history in France and abroad Translating the original *Histoires ou Contes* means grappling not only with the strangeness of seventeenth century French but also with the ubiquity and familiarity of plots and heroines in their famous English personae From its very first translation in 1729 *Histoires ou Contes* has depended heavily on its English translations for the genesis of character names and enduring recognition This dependability makes new innovative translation challenging For example can Perrault s invented name Cendrillon be retranslated into anything other than Cinderella And what would happen to our understanding of the tale if it were Is it possible to sidestep the Anglophone tradition and view the seventeenth century French anew Why not leave Cinderella alone as she is deeply ingrained in cultural lore and beloved the way she is Such questions inspired the translations of these tales in Mother Goose Refigured which aim to generate new critical interest in heroines and heroes that seem frozen in time The book offers introductory essays on the history of interpretation and translation before retranslating each of the *Histoires ou Contes* with the aim to prove that if Perrault s is a classical frame of reference these tales nonetheless exhibit strikingly modern strategies Designed for scholars their classrooms and other adult readers of fairy tales Mother Goose Refigured promises to inspire new academic interpretations of the Mother Goose tales particularly among readers who do not have access to the original French and have relied for their critical inquiries on traditional renderings of the tales *Shahnama* Robert Hillenbrand,2017-07-05 *Shahnama* The Visual Language of the

Persian Book of Kings presents the first comprehensive examination of the interplay between text and image in the celebrated Persian national epic the Shahnama written by the poet Firdausi of Tus The Shahnama is one of the longest poems ever composed and recounts the history of Iran from the dawn of time to the Muslim Arab conquests of the seventh century AD There is no Persian text in prose or poetry which has been so frequently and lavishly illustrated Offering fresh insights through a range of varied art historical approaches to the Shahnama the essays in this volume reveal how the subtle alterations in text and image serve to document changes in taste and style and can be understood as reflections of the changing role of the national epic in the imagination of Iranians and the equally changing messages often political in nature which the familiar stories were made to convey over the centuries
