Tough Guy Richard Bradford, 2023-01-19 The first biography to examine Mailer's life as a twisted lens offering a unique insight into the history of America from the end of World War II to the election of Barack Obama Twice winner of the Pulitzer Prize firstly in 1969 for *The Armies of the Night* and again in 1980 for *The Executioner's Song* Norman Mailer's life comes as close as is possible to being the Great American Novel beyond reason inexplicable wonderfully grotesque and addictive *The Naked and the Dead* was acclaimed not so much for its intrinsic qualities but rather because it launched a brutally realistic sub genre of military fiction *Catch 22* and *MASH* would not exist without it Richard Bradford combs through Mailer's personal letters to lovers and editors which appear to be a rehearsal for his career as a shifty literary narcissist and which shape the characters of one of the most widely celebrated World War II novels Bradford strikes again with a merciless biography in which diary entries journal extracts and newspaper columns set the tone of this study of a controversial figure From friendships with contemporaries such as James Baldwin failed correspondences with Hemingway and the Kennedys to terrible but justified criticism of his work by William Faulkner and Eleanor Roosevelt this book gives a unique snappy and convincing perspective of Mailer's ferocious personality and writings **Vengeance (English Version)** M.L.

**The Cinema of Norman Mailer** Justin Bozung, 2017-09-07 The Cinema of Norman Mailer Film is Like Death not only examines the enfant terrible writer's thoughts on cinema but also features interviews with Norman Mailer himself The Cinema of Norman Mailer also explores Mailer's cinema through previously published and newly commissioned essays written by an array of film and literary scholars enthusiasts and those with a personal philosophical connection to Mailer This volume discusses the National Book Award and Pulitzer Prize winning author and filmmaker's six films created during the years of 1947 and 1987 and contends to show how Mailer's films can be best read as cinematic delineations that visually represent many of the writer's metaphysical and ontological concerns and ideas that appear in his texts from the 1950s until his passing in 2007 By re-examining Mailer's cinema through these new perspectives one may be awarded not just a deeper understanding of Mailer's desire to make films but also find a new alternative vision of Mailer himself Norman Mailer was not just a writer but more he was one of the most influential Postmodern artists of the twentieth century with deep roots in the cinema He allowed the cinema to not only influence his aesthetic approach but sanctioned it as his easiest crafted analogy for exploring sociological imagination in his writing Mailer once suggested Film is legitimately more interesting than books and with that in mind readers of Norman Mailer might begin to rethink his oeuvre through the viewfinder of the film medium as he was equally as passionate about working within cinema as he was about literature itself

**Principles** James Augustus Henry Murray, 1901      **Catalogues of Sales** Sotheby's (Firm), 1991-04-16      **Hard-boiled Masculinities** Christopher Breu, 2005

The persona of the American male in the period between the two world wars was characterized by physical strength emotional detachment aggressive behavior and an amoral worldview This ideal of a hard boiled masculinity can be seen in the pages and even more vividly on the covers of magazines such as Black Mask which shifted from Victorian influenced depictions of men in top hats and mustaches in the early 1920s to the portrayal of much more overtly violent and muscular men Looking closely at this transformation Christopher Breu offers a complex account of how and why hard boiled masculinity emerged during an unsettled time of increased urbanization and tenuous peace and traces the changes in its cultural conception as it moved back and forth across the divide between high and low culture as well as the color line that bifurcated American society Examining the work of Ernest Hemingway Dashiell Hammett Chester Himes and William Faulkner as well as many lesser known writers for the hypermasculine pulp magazines of the 1920s and 1930s Breu illustrates how the tough male was a product of cultural fantasy one that shored up gender and racial stereotypes as a way of lashing out at the destabilizing effects of capitalism and social transformation Christopher Breu is assistant professor of English at Illinois State University
