Scripts of Servitude Beatriz P. Lorente,2017-10-19 This book examines how language is a central resource in transforming migrant women into transnational domestic workers Focusing on the migration of women from the Philippines to Singapore the book unpacks why and how language is embedded in the infrastructure of transnational labor migration that links migrant sending and migrant receiving countries It sheds light on the everyday lives of transnational domestic workers and how they draw on their linguistic repertoires and in particular on English as they cross geographical and social spaces By showing how the transnational mobility of labor is dependent on the selection and performance of particular assemblages of linguistic resources that index migrants as labor and not as people the book provides a powerful lens with which to examine how migration contributes to relationships of inequality and how such inequalities are produced and challenged on the terrain of language

The Economics of Sports Michael A. Leeds,Peter von Allmen,Victor A. Matheson,2018-04-27 The sports industry provides a seemingly endless set of examples from every area of microeconomics giving students the opportunity to study economics in a context that holds their interest Thoroughly updated to reflect the current sports landscape The Economics of Sports introduces core economic concepts and theories and applies them to American and international sports Updates for this sixth edition include More coverage of international sports including European football A revised chapter on competitive balance reflecting new techniques A brand new chapter on mega events such as the Olympics and World Cup New material on umpire bias A completely redesigned chapter on amateur competition that focuses exclusively on intercollegiate sports This chapter is also now modular enabling instructors who wish to intersperse it with the other chapters to do so with greater ease This accessible text is supported by a companion website which includes resources for students and instructors It is the perfect text for advanced undergraduate and graduate courses on sports economics
