Women of the Wall Yuval Jobani,Nahshon Perez,2017-06-01 In October of 2014 12 year old Sasha Lutt read from a tiny Torah scroll as a part of her bat mitzvah in the Women s section of the plaza at the Western Wall Judaism s holiest prayer site Surrounded by members of the multi denominational organization the Women of the Wall one of whom had smuggled the scroll into the plaza Sasha became the first woman to read from the Torah at the site For more than twenty five years the Women of the Wall have been waging a campaign to gain the Israeli government s permission to pray at the Western Wall Despite widespread media coverage this is the first comprehensive study of their struggle Yuval Jobani and Nahshon Perez offer an in depth analysis of the Women of the Wall s attempts to modify Jewish orthodox mainstream religious practice from within and invest it with a new egalitarian content They present a comprehensive survey of the numerous legal rulings about the case and consider the broader political and social significance of the Women of the Wall s activism In this way Jobani and Perez are able to address broader issues of religion state relations How should governments manage religious plurality within their borders How should governments respond to the requests of minorities that conflict with ostensibly mainstream interpretations of a given tradition How should governments manage disputed sacred sites and spaces located in the public sphere Women of the Wall Navigating Religion in Sacred Sites offers a critical new look at theories of religion state relations and a fresh examination of religious conflicts over sacred sites and public spaces

Framing the Penal Colony Sophie Fuggle,Charles Forsdick,Katharina Massing,2023-02-20 This book examines the representation of penal colonies both historically and in contemporary culture across an array of media Exploring a range of geographies and historical instances of the penal colony it seeks to identify how the penal colony as a widespread phenomenon is as much imagined and creatively instrumentalized as it pertains to real sites and populations It concentrates on the range of media produced in and around penal colonies both during their operation and following their closures This approach emphasizes the role of cross disciplinary methods and approaches to examining the history and legacy of convict transportation prison islands and other sites of exile It develops a range of methodological tools for engaging with cultures and representations of incarceration detention and transportation The chapters draw on media discourse analysis critical cartography museum and heritage studies ethnography architectural history visual culture including film and comics studies and gaming studies It aims to disrupt the idea of adopting linear histories or isolated geographies in order to understand the impact and legacy of penal colonies The overall claim made by the collection is that understanding the cultural production associated with this global phenomenon is a necessary part of a wider examination of

carceral imaginaries or penal spectatorship Brown 2009 past present and future It brings together historiography criminology media and cultural studies *Nuclear Nuevo México* Myrriah Gómez,2022-11-22 In the 1940s military and scientific personnel chose the Pajarito Plateau to site Project Y of the secret Manhattan Project where scientists developed the atomic bomb Nuevomexicanas/os and Tewa people were forcibly dispossessed from their ranches and sacred land in north central New Mexico with inequitable or no compensation Contrary to previous works that suppress Nuevomexicana/o presence throughout U S nuclear history *Nuclear Nuevo México* focuses on recovering the voices and stories that have been lost or ignored in the telling of this history By recuperating these narratives Myrriah G meez tells a new story of New Mexico one in which the nuclear history is not separate from the collective colonial history of Nuevo México but instead demonstrates how earlier eras of settler colonialism laid the foundation for nuclear colonialism in New Mexico G meez examines the experiences of Nuevomexicanas/os who have been impacted by the nuclear industrial complex both the weapons industry and the commercial industry G meez argues that Los Alamos was created as a racist project that targeted poor and working class Nuevomexicana/o farming families along with their Pueblo neighbors to create a nuclear empire The resulting imperialism has left a legacy of disease and distress throughout New Mexico that continues today [Political Handbook of the World 2022-2023](#) Tom Lansford,Jorge Brown,2023 With more in depth coverage of current political controversies than any other reference guide *Political Handbook of the World 2022 2023* is the most authoritative source for finding complete facts and analysis on each countrys governmental and political makeup **Thanatourism and Cinematic Representations of Risk** Rodanthi Tzanelli,2016-04-14 In today s world the need to eliminate natural and human made disasters has been at the forefront of national and international socio political agendas The management of risks such as terrorism labour strikes protests and environmental degradation has become pivotal for countries that depend on their economy s tourist sector Indeed there is fear that that the end of tourism might be nigh due to inadequate institutional foresight Yet in designing relevant policies to tackle this arts such as that of filmmaking have yet to receive due consideration This book adopts an unorthodox approach to debates about the end of tourism Through twenty first century cinematic narratives of symbolically interconnected risks it considers how art envisages the future of humanity s well being These risks include migration as an infectious disease alien incursions as racialized labour mobilities cyborg rebellion as the fear of post colonial otherness and zombie anthropophagy as the replacement of rooted identities by nomadic lifestyles Such filmic scenarios articulate the futuristic survival of community as the triumph of the technological human over otherness and provide a means to debate societal risks that weave identity politics into unequal mobilities This book will appeal to researchers and students interested in mobilities theory tourism and travel theory film studies and aesthetics globalisation studies race labour and migration

Coastal Metropolis Carl A. Zimring,Steven H. Corey,2021-03-23 Built on an estuary New York City is rich in population and economic activity but poor in available land to manage the needs of a modern city Since consolidation of the five

boroughs in 1898 New York has faced innumerable challenges from complex water and waste management issues to housing and feeding millions of residents in a concentrated area to dealing with climate change in the wake of Superstorm Sandy and everything in between Any consideration of sustainable urbanism requires understanding how cities have developed the systems that support modern life and the challenges posed by such a concentrated population As the largest city in the United States New York City is an excellent site to investigate these concerns Featuring an array of the most distinguished and innovative urban environmental historians in the field Coastal Metropolis offers new insight into how the modern city transformed its air land and water as it grew **Political Handbook of the World 2024-2025** Tom Lansford,2025-04-15

The Political Handbook of the World 2024 2025 is the most authoritative and comprehensive reference guide available for understanding the political landscape of every nation and territory across the globe This updated edition features more than 200 entries offering detailed coverage of governmental structures political parties and current leadership Known for its unmatched depth the volume provides in depth analysis of both major and minor political parties and movements and delivers timely insights into recent controversies political crises and key events from the past two years This edition also includes up to date listings of ambassadors international organization memberships and expanded profiles of over 30 intergovernmental organizations and UN agencies Trusted by researchers analysts journalists and students this resource continues to deliver essential reliable political data and analysis Negotiating a River Daniel Macfarlane,2014-03-01 It was a megaproject half a century in the making a technological and engineering marvel that stands as one of the most ambitious borderlands undertakings ever embarked upon by two countries The planning and building of the St Lawrence Seaway and Power Project is one of the defining episodes in North American history The project began with transnational negotiations that spanned two world wars and the formative years of the Cold War and included a failed attempt to construct an all Canadian seaway which was scuttled by US national security fears Once an agreement was reached the massive engineering and construction operation began as did the efforts to move people and infrastructure away from the thousands of acres of land that would soon be flooded Negotiating a River looks at the profound impacts of this megaproject from the complex diplomatic negotiations political manoeuvring and environmental diplomacy to the implications on national identities and transnational relations Pacific Power? Joanne Wallis,2017-07-17 Australia is much larger and has significantly more military and economic power than its Pacific Island neighbours As a result it is frequently described as having a natural right to lead in the region Yet Australia has found it difficult to effectively influence Pacific Island states in pursuit of its strategic interests It provides the definitive account of how and how effectively Australia has sought to influence Pacific Island states in pursuit of its strategic interests since 1975 the year that Papua New Guinea Australia's former colonial territory gained independence Informed by interviews with key decision makers Pacific Power analyses why Australia has had difficulty exercising influence in the Pacific Islands and identifies how Australia can more effectively influence Pacific Island states in

pursuit of its strategic interests and how Australia can present itself more as a Pacific partner than power

Unpacked Blake C. Scott, 2022-11-15 Unpacked offers a critical novel perspective on the Caribbean s now taken for granted desirability as a tourist s paradise Dreams of a tropical vacation have become a quintessential aspect of the modern Caribbean as millions of tourists travel to the region and spend extravagantly to pursue vacation fantasies At the beginning of the twentieth century however travelers from North America and Europe thought of the Caribbean as diseased dangerous and according to many observers the white man s graveyard How then did a trip to the Caribbean become a supposedly fun and safe experience Unpacked examines the historical roots of the region s tourism industry by following a well traveled sea route linking the US East Coast with the island of Cuba and the Isthmus of Panama Blake C Scott describes how the cultural and material history of US imperialism became the heart of modern Caribbean tourism In addition he explores how advances in tropical medicine perceptions of the tropical environment and development of infrastructure and transportation networks opened a new playground for visitors
