Tourism November 2014 Memo:

Tourism and Gentrification in Contemporary Metropolises Maria Gravari-Barbas, Sandra Guinand, 2017-06-14

Tourism gentrification is a critical shaping force of socio economic and contemporary urban landscapes This book aims to be the first substantive text on this subject explaining the multiple and complex relationships between tourism and gentrification and their outcomes and manifestations in contemporary metropolises This is achieved by drawing on in depth case analyses addressing the different issues at stake Part I deals with the manifestations of tourism gentrification and the ways it affects urban landscapes through heritagization and urban regeneration strategies Part II looks at the correlations between tourism gentrification and culture Finally the last two parts aim to identify and examine forms and expressions of tourism gentrification distinguishing among the actors beneficiaries and victims of the phenomenon while looking at its implications for intra metropolitan territories and metropolitan governance The book approaches these issues in an innovative way by looking at a variety of metropolises in a diverse range of countries and by dealing with the different relations and management issues generated by gentrification in relation to tourism Through interdisciplinary approaches this groundbreaking text sheds light on the role tourism plays in contemporary metropolises furthering knowledge of urban tourism For these reasons it will be of particular interest to scholars and students of tourism urban studies geography anthropology and sociology

War Tourism Bertram M. Gordon, 2018-11-15 As German troops entered Paris following their victory in June 1940 the American journalist William L Shirer observed that they carried cameras and behaved as naive tourists One of the first things Hitler did after his victory was to tour occupied Paris where he was famously photographed in front of the Eiffel Tower Focusing on tourism by German personnel military and civil and French civilians during the war as well as war related memory tourism since War Tourism addresses the fundamental linkages between the two As Bertram M Gordon shows Germans toured occupied France by the thousands in groups organized by their army and guided by suggestions in magazines such as *Der Deutsche Wegleiter fr Paris* The German Guide for Paris Despite the hardships imposed by war and occupation many French civilians continued to take holidays Facilitated by the Popular Front legislation of 1936 this solidified the practice of workers vacations leading to a postwar surge in tourism After the end of the war the phenomenon of memory tourism transformed sites such as the Maginot Line fortresses The influx of tourists with links either directly or indirectly to the war took hold and continues to play a significant economic role in Normandy and elsewhere As France moved from wartime to a postwar era of reconciliation and European Union memory tourism has held strong and exerts significant influence across the country

Cruise Tourism in the Caribbean Martha Honey, 2019-06-17 This book explores the lessons learned from half a century of Caribbean cruise tourism one of the most popular and profitable sectors of the tourism industry The modern day cruise industry dates from the 1960s when the three major cruise lines Carnival Royal Caribbean and Norwegian set up shop in Florida and began selling winter cruises to the Caribbean targeting American

retirees For geopolitical reasons the US initially excluded cruises to Cuba This changed in 2016 following the historic Obama Castro agreement to move towards diplomatic trade and travel normalization Cuba quickly became the Caribbean s fastest growing cruise destination This book considers the limited economic benefits of cruise tourism its environmental and social impacts and the effects of climate change and overtourism Based on this analysis and case studies of key Caribbean and Mediterranean destinations this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to Caribbean countries It will be valuable to professionals businesses development agencies NGOs and academics interested in a sustainable cruise industry and the economic well being of Caribbean island nations

Environmental Pollution and the Media Glenn D. Hook, Libby Lester, Meng Ji, Kingsley Edney, Chris G. Pope, Luli van der Does-Ishikawa, 2017-04-07 This book offers a theoretically informed empirical investigation of national media reporting and political discourse on environmental issues in Australia China and Japan It illuminates the risks harms and responsibilities associated with climate change through an analysis of pollution adopting an interdisciplinary approach drawing on both the social sciences and humanities A particular strength of the work is the detailed analysis of the data using a range of both quantitative and qualitative techniques enabling the authors to reveal in rich and compelling detail the complex relationship between risk and responsibility in the climate change discourse The case studies of Australia China and Japan are set in the current literature as well as in the historical context of climate change in these three countries The analysis of the media discourse on the Great Barrier Reef in Australia demonstrates how the mining of coal for overseas markets has led to devastating harm to the life of the reef A critical discussion of the Chinese documentary Under the Dome shows how this medium has played a crucial role in building awareness of the harm from atmospheric pollution among the citizens shaping attitudes and promoting action The first case study of Japan elucidates how cross border atmospheric pollution from China forges a chain of responsibility for responding to climate change running from the state to society The other case study of Japan demonstrates how smart cities have emerged as a way to mitigate the risks and harms of climate change The Conclusion draws together the similarities and differences in how climate change is addressed in the three countries In all *Environmental Pollution and the Media* Political Discourses of Risk and Responsibility in Australia China and Japan uncovers the dynamics of the triadic relationship among risk harm and climate change in Australia China and Japan By so doing the book makes an original and timely contribution to understanding comparative media discourse and political debates on climate change

Memories Set in Stone—How Visitors Make Sense of Memorials

Larissa Hugentobler,2025-09-30 In this open access book Larissa Hugentobler explores the world of public memorials highly visible and at times contentious media which communicate a nation s values and ideals its public memory By celebrating a selection of a nation s history the memorial landscape has long rendered marginalized groups virtually invisible This book focuses on two rare celebratory U S memorials in Washington DC dedicated to a member of a marginalized community Dr Martin Luther King Jr The author explores how visitors experience the two cultural sites

including their narratives about King and the Civil Rights Movement For a holistic understanding Hugentobler combines analyses of visitor experiences on site and on Instagram with expert interviews and autoethnographies This allows for insights into the importance of celebratory memorials to individuals from marginalized communities and why those memorials matter to visitors By acknowledging that the memorial experience is not limited to the time and space of a visit this book begins to answer the urgent question of the roles of the offline and online realms in commemoration and highlights how each can contribute to a memorial landscape that is meaningful to a variety of people

Experiencing 11 November 2018 Shanti Sumartojo, 2020-11-10 In a unique collection of international and interdisciplinary research this book focuses on commemorative events around the world on the same day 11 November 2018 the centenary of Armistice Day the end of the First World War It argues that we need to move beyond discourse narrative and how historical events are represented to fully understand what commemoration does socially politically and culturally Adopting an experiential reframing treats sensory affective and emotional feelings as fundamental to how we collectively understand shared histories and through them shared identities The volume features 15 case studies from ten countries covering a variety of settings and national contexts specific to the First World War Together the chapters demonstrate that a new conceptualisation of commemoration is needed one that attends to how it feels

China's Bilateral Relations with Its Principal Oil Suppliers George G. Eberling, 2017-10-23 This book examines China's bilateral relations with its established suppliers of crude petroleum and on occasion petroleum gas products including liquefied natural gas LNG based on a five dimensional framework political diplomatic relations economic trade relations military security relations cultural relations and petroleum energy relations A five dimensional approach is comprehensive in nature and offers a complete understanding of China's complex relationships rather than looking solely on more typical perspectives like bilateral trade security relationships or energy ties More often than not social science literature focuses on one or more aspects of China's bilateral relations which does not provide a complete picture of the complex nature of its interstate ties This book endeavors to bridge this gap and look more substantially at China's bilateral relationships with energy petroleum

relations being the key aspect linking each one of them The specific bilateral relationships examined are China s relations with Angola Brazil Republic of the Congo Iran Iraq Kazakhstan Kuwait Oman Russia Saudi Arabia South Sudan Sudan United Arab Emirates and Venezuela These countries matter because their crude petroleum and petroleum gas product exports account for over 50 percent of China s annual oil consumption

Dream the Size of Freedom R. Joseph Parrott, 2025-07-08

How anti colonial movements in Angola Mozambique and Guinea Bissau reshaped US activist engagement with the Global South from the 1960s through the 1970s *Dream the Size of Freedom* explores how anti colonial movements in Angola Mozambique and Guinea Bissau reshaped US activist engagement with the Global South from the 1960s through the 1970s and influenced American foreign policy as the Vietnam War drew to a close These Portuguese African liberation movements led by nationalists like Eduardo Mondlane and Amílcar Cabral built global solidarity networks to support their military and social challenges to empire while defending against Western intervention US activists disillusioned with the Cold War came to see African self determination as central to global campaigns for racial and economic justice A broad coalition ranging from Black Power radicals to religious liberals mobilized against the North Atlantic alliance with Portugal In the process this grassroots movement helped define a New Left Internationalism that championed decentralized multiracial organizing and a collaborative vision of US foreign policy to redress historic inequalities between Global North and South Drawing on more than fifty oral histories and research in government and activist archives on three continents in English Portuguese French and Afrikaans R. Joseph Parrott reconstructs the transnational anti imperial network that injected Global South priorities into US political debates Popular protests and informational campaigns led to collaborations with legislators eager to constrain the powerful executive branch In 1976 this grassroots legislative alliance halted Gerald Ford s anti communist intervention against the Soviet backed government of newly independent Angola This victory of New Left Internationalist ideas anticipated future anti apartheid and Latin American peace movements while also fueling a conservative revival of Cold War containment By exploring US engagement with the contested process of African decolonization *Dream the Size of Freedom* highlights the origins of two contrasting visions of American foreign policy that defined debates over the country s proper role in the Global South into the 1990s

The Fires of Spring Shelly Culbertson, 2016-04-19

Turkey Iraq Qatar Jordan Egypt and Tunisia The Arab Spring all started when a young Tunisian fruit seller set himself on fire in protest of a government official confiscating his apples and slapping his face The aftermath of that one personal protest grew to become the Middle East movement known as the Arab Spring a wave of disparate events that included protests revolutions hopeful reform movements and bloody civil wars *The Fires of Spring* is the first book to bring the post Arab Spring world to light in a holistic context A narrative of author Shelly Culbertson s journey through six countries of the Middle East *The Fires of Spring* tells the story by weaving together a sense of place insight about issues of our time interviews with leaders history and personal stories Culbertson navigates the nuances of street life and peers into ministries mosques and women s worlds She

delves into what Arab Spring optimism was about and at the same time sheds light on the pain and dysfunction that continues to plague parts of the region The Fires of Spring blends reportage travel memoir and analysis in this complex and multifaceted portrait Ukraine Over the Edge Gordon M. Hahn, 2018-02-08 The Ukrainian crisis that dominated headlines in fall 2013 was decades in the making Two great schisms shaped events one within Ukraine its western and southeastern parts divided along cultural and political lines the other was driven by geopolitical factors Competition between Russia and the West exacerbated Ukraine's divisions This study focuses on the historical background and complex causality of the crisis from the rise of mass demonstrations on Kiev's Maidan Nezalezhnosti Independence Square to the making of the post revolt regime In the context of a new cold war the author sheds light on the role of radical Ukrainian nationalists and neofascists in the February 2014 snipers massacre the ouster of President Viktor Yanukovich and Russia's seizure of Crimea and involvement in the civil war in the eastern region of Donbass
