Tourism Question Paper 2013:

GEOGRAPHY OF TRANSPORT, TOURISM & MANAGEMENT Dr. I. S. Patel, Prof. Z. A. Nayab, **Tourism and Citizenship** Raoul Bianchi, Marcus Stephenson, 2014-02-24 More than sixty years since the 1948 Universal Declaration of Human Rights first enshrined the right to freedom of movement in an international charter of human rights the issue of mobility and the right to tourism itself have become increasingly significant areas of scholarly interest and political debate However despite the fact that cross border travel implies certain citizenship rights as well as the material capacity to travel the manifold intersections between tourism and citizenship have not received the attention they deserve in the literature This book endeavours to fill this gap by being the first to fully examine the role of tourism in wider society through a critically informed sociological reflection on the unfolding relationships between international tourism and distinct renderings of citizenship with particular emphasis on the ideological and political alignments between the freedom of movement and the right to travel The text weaves its analysis of citizenship and travel in the context of addressing large scale societal transformations engendered by globalization neoliberalism and the geopolitical realignments between states as well as comprehending the internal reconfiguring of the relationship between citizens and states themselves By doing so it focuses on key themes including tourism and social citizenship rights race culture and minority rights states markets and the freedom of movement tourism peace and geo politics consumerism and class and ethical tourism global citizenship and cosmopolitanism The book concludes that the advancement of genuinely democratic and just forms of tourism must be commensurate with demands for distributive justice and a democratic politics of mobility encompassing all of humanity This timely and significant contribution to the sociology and politics of international tourism through the lens of citizenship is a must read for students and scholars in both in the fields of tourism and social science The royalties received from this book will be donated to the International Porter Protection Group *ICMLG2013 Proceedings of the International Conference on Management, Leadership and Governance* ,2013 *Qualitative Methods in Tourism Research* Wendy Hillman, Kylie Radel, 2018-01-05 This volume seeks to expose and illustrate new approaches and thinking in qualitative methods that are being developed and implemented in tourism research The contributions bring together various qualitative methods and approaches while also providing suggestions for the juxtaposition of qualitative and quantitative methods in mixed methods research The book has been written with a cross disciplinary approach which provides an insight into the art of research development from business sociology and tourism perspectives The chapters provide readers with a context and practical application examples for each method They present a distinctive opportunity for social researchers from a range of disciplines in particular tourism to examine how to adapt the wide variety of qualitative approaches to their particular research needs *Tourism and Sustainable Development Goals* Jarkko Saarinen, 2020-06-29 This comprehensive volume comprises some of the best scholarship on sustainable tourism in recent years demonstrating the rich body of past research

that provides a fertile and critical ground for studies on the Sustainable Development Goals SDGs by tourism geographers and other social scientists in the future Since the turn of the 1990s many international development and policy making organisations have perceived the tourism industry with its local and regional connections as a high potential tool for putting sustainable development into practice The capacity of tourism to work for sustainable development was highlighted in relation to the United Nations SDGs which were adopted in 2015 The SDGs define the agenda for global development to 2030 by addressing pertinent challenges such as poverty inequality climate change environmental degradation and peace and justice Tourism geographers and allied disciplines have held strong and long term interest in sustainability issues and their chapters in this collection contribute significantly to this emerging and highly policy relevant research field This book was originally published as an online special issue of the journal *Tourism Geographies*

Livelihood Enhancement Through Agriculture, Tourism and Health Narayan Chandra Jana, Anju Singh, R. B. Singh, 2022-01-18 Agriculture is the backbone of our economic system It provides not only food and raw material but also employment opportunities to a very large number of people Higher atmospheric temperature has an impact on crop yields while the changes in rainfall could affect both crop quality and quantity Climate change therefore could increase the prices of major crops in some regions For the most vulnerable people lower agricultural output means lower income In addition climate change is expected to increase the risk of illness and death from extreme heat and poor air quality Recent evidence is the COVID 19 pandemic Furthermore climate change also affects the occurrence of other infectious diseases A number of well known diseases are climate sensitive malaria dengue fever and cholera among others Tourism is considered as an industry and alternative contributor to a nation's income It can generate employment opportunities and boost up the economy This book consisting of 26 chapters focuses on the issues of agriculture tourism and health for livelihood enhancement It is essential to discuss these diverse issues in the field of geography as it encompasses interdisciplinary topics The range of concerns at the national regional and local levels is not confined to geography only but also involves other disciplines as well Therefore this book is a valuable source for scientists and researchers in allied fields such as livelihood agriculture land use tourism management health care and tribal studies Furthermore this book can be of immense help to the researchers planners and decision makers engaged in solving problems in these areas in developing countries and beyond

Tourism, Mobilities, and Development in Sparsely Populated Areas Doris Carson, Dean Carson, Linda Lundmark, 2017-10-02 Tourism mobilities are not restricted to the movement of tourists between places of origin and destinations Particularly in more peripheral remote or sparsely populated destinations workers and residents are also likely to be frequently moving between locations Such destinations attract seasonal or temporary residents sometimes with only loose ties to the tourism industry These flows of mobile populations are accompanied by flows of other resources money knowledge ideas and innovations which can be used to help the economic and social development of the destination This book examines key aspects of the human mobilities associated with tourism in

sparsely populated areas and investigates how new mobility patterns inspired by technological economic political and social change provide both opportunities and risks for those areas Examples are drawn from the northern peripheries of Europe and the north of Australia and the book provides a framework for continuing research into the role that tourism and new mobilities can play in regional development in these locations This book was originally published as a special issue of the Scandinavian Journal of Hospitality and Tourism *Archipelago Tourism* Godfrey Baldacchino, 2016-03-09 Exploring the conceptual insights provided by the archipelagic twist in the context of tourism principles policies and practices this volume draws on an international series of case studies to analyse best practice in branding marketing and logistics in archipelago tourist destinations The book asks and seeks to answer such questions as How to sell a multi island destination without risking a message that may be too complex and diffuse for audiences to grab on to Does one encourage visitors to do island hopping and if so how and with what logistic facilities How does one ascribe specific island destinations within an overall archipelago brand Would smaller islands rebel against a composite branding strategy that actually benefits other islands How does one read or craft transport policies as a function of the reterritorialisation of a multi island space This book pioneers the exploration of the archipelago as tourism study focus and not just locus a heuristic device for rendering islands as sites of different tourism practices industries and policies but also of challenges and possibilities European Journal of Tourism Research , 2016-11-01 The European Journal of Tourism Research is an interdisciplinary scientific journal in the field of tourism published by Varna University of Management Bulgaria Its aim is to provide a platform for discussion of theoretical and empirical problems in tourism Publications from all fields connected with tourism such as management marketing sociology psychology geography political sciences mathematics statistics anthropology culture information technologies and others are invited The journal is open to all researchers Young researchers and authors from Central and Eastern Europe are encouraged to submit their contributions Regular Articles in the European Journal of Tourism Research should normally be between 4 000 and 20 000 words Major research articles of between 10 000 and 20 000 are highly welcome Longer or shorter papers will also be considered The journal publishes also Research Notes of 1 500 2 000 words Submitted papers must combine theoretical concepts with practical applications or empirical testing The European Journal of Tourism Research includes also the following sections Book Reviews announcements for Conferences and Seminars abstracts of successfully defended Doctoral Dissertations in Tourism case studies of Tourism Best Practices The European Journal of Tourism Research is published in three Volumes per year The full text of the European Journal of Tourism Research is available in the following databases EBSCO Hospitality and Tourism Complete CABI Leisure Recreation and Tourism ProQuest Research Library Individual articles can be rented via journal's page at DeepDyve The journal is indexed in Scopus and Thomson Reuters Emerging Sources Citation Index The editorial team welcomes your submissions to the European Journal of Tourism Research **Instability and Tourism** María Santana-Gallego, ShiNa Li, 2020-04-28 The rise of political instability

and terrorism necessitates a reassessment of various tourism policy issues This book focuses upon evaluating the impact of terrorist political conflicts and other types of instability on the tourism sector and considers the practical implications for countries being adversely affected by these episodes Over the last decades tourism has been adversely affected by a wide range of problems such as economic crises social conflicts political instability terrorism and wars Each of these and their consequences on tourism confirms the need to understand more about potential mitigating policy interventions in different contexts This book includes six chapters exploring a wide range of themes related to instability and tourism using innovative approaches and considering different countries for their research Precisely countries such as Turkey Ukraine Jordan Egypt and Nepal are under analysis The articles published in this special issue were written by authors affiliated with universities in the USA New Zealand Spain Egypt Jordan and Bulgaria All selected papers underwent a rigorous double blind review process before final revision and acceptance The chapters were originally published in a special issue in the Journal of Policy Research in Tourism Leisure Events
