Transforming Heritage Practice in the 21st Century John H. Jameson,Sergiu Musteață,2019-06-14 Recent years have witnessed a rapid increase in the fields of cultural heritage studies and community archaeology worldwide with expanding discussions about the mechanisms and consequences of community participation This trend has brought to the forefront debates about who owns the past who has knowledge and how heritage values can be shared more effectively with communities who then ascribe meaning and value to heritage materials Globalization forces have created a need for contextualizing knowledge to address complex issues and collaboration across and beyond academic disciplines using more integrated methodologies that include the participation of non academics and increased stakeholder involvement Successful programs provide power sharing mechanisms and motivation that effect more active involvement by lay persons in archaeological fieldwork as well as interpretation and information dissemination processes Withthe contents of this volume we envision community archaeology to go beyond descriptions of outreach and public engagement to more critical and reflexive actions and thinking The volume is presented in the context of the evolution of cultural heritage studies from the 20th century expert approach to the 21st century people centered approach with public participation and community involvement at all phases of the decision making process The volume contains contributions of 28 chapters and 59 authors covering an extensive geographical range including Africa South America Central America Western Europe Eastern Europe North America and Australasia Chapters provide exemplary cases in a growing lexicon of public archaeology where power is shared within frameworks of voluntary activism in a wide diversity of cooperative settings and stakeholder interactions

Antarctica in International Law Ben Saul,Tim Stephens,2015-04-30 Antarctica one of the world s last great wildernesses presents special challenges for international law Fears that Antarctica would become a front in the Cold War catalysed

agreement on the 1959 Antarctic Treaty which neither legitimised nor challenged the existing sovereign claims to the continent The unique Antarctic Treaty System has provided the foundation for peaceful harmonious and effective governance There are however new anxieties about the frozen continent and the Southern Ocean Antarctica already feels the effects of climate change and ocean acidification Claimant states assert rights to the Antarctic continental shelf and interest in Antarctic resources grows Tourism brings new environmental and safety risks China and other powers are increasing their activities with some questioning the consensus of the Antarctic club Security concerns are increasingly discussed despite Antarctica's dedication to peaceful purposes This book brings together the main primary international materials concerning the regulation and governance of Antarctica including multilateral and bilateral treaties United Nations materials soft laws and judicial decisions It covers the spectrum of Antarctic issues from environmental protection to scientific cooperation to tourism As it shows Antarctic law has constantly adapted to meet new challenges and is a sophisticated inclusive dynamic and responsive regime

Zimbabwe International Monetary Fund. African Dept.,2015-04-28 EXECUTIVE SUMMARY
Context The Zimbabwean authorities have made progress in implementing their macroeconomic and structural reform programs despite the economic and financial difficulties During 2015 the authorities policy reform agenda will continue to focus on a reducing the primary fiscal deficit to raise Zimbabwe's capacity to repay b restoring confidence in the financial system c improving the business climate and d garnering support for an arrears clearance strategy Recent developments outlook and risks Zimbabwe's economic prospects remain difficult Growth has slowed and is expected to weaken further in 2015 Despite the favorable impact of lower oil prices the external position remains precarious and the country is in debt distress Key risks to the outlook stem largely from a further decline in global commodity prices fiscal challenges and possible difficulties in policy implementation However the authorities are committed to intensifying their efforts to ensure successful implementation of the program and to lay the ground for stronger more inclusive and lasting economic growth Program performance All quantitative targets and structural benchmarks for the first review under the staff monitored program SMP were met The authorities demonstrated strong commitment to the program in a difficult economic and financial environment Moreover they have made meaningful progress in implementing other key structural reforms such as making operational an asset management company and amending the indigenization and empowerment law Reengagement with creditors The authorities have stepped up their reengagement with creditors including by increasing payments to the World Bank WB and the African Development Bank AfDB a key step in their roadmap toward seeking rescheduling of bilateral official debt under the umbrella of the Paris Club These developments constitute important steps toward reengaging with the international financial institutions IFIs They plan to step up their efforts to build consensus among creditors and development partners on ways to address the external arrears

University of Singapore Society called Commentary *Marine Transboundary Conservation and Protected Areas* Peter Mackelworth, 2016-04-28 The marine environment does not naturally respect arbitrary international boundaries The establishment and management of transboundary marine protected areas therefore presents major governance challenges This book analyses a series of marine transboundary conservation initiatives embedded in varying contextual situations to examine the underlying reasons for their success or failure Utilising an adapted pathways of influence framework it provides insights into the development of marine transboundary conservation initiatives looking at the effectiveness of international rules international norms and discourse market forces and direct access to policy making Examples come from a wide range of jurisdictions including territorial seas continental shelves exclusive economic zones and areas beyond national jurisdiction Case studies include initiatives in the Coral Triangle West Africa Central America the Wadden Sea the Red Sea and the Mediterranean Sea In addition the authors assess the potential for developing wider international cooperation as a result of relationships forged through involvement within these marine transboundary conservation initiatives Haiti International Monetary Fund. Western Hemisphere Dept., 2015-01-05 EXECUTIVE SUMMARY This is the final review under the Extended Credit Facility ECF arrangement The program contributed to maintaining macroeconomic stability and there was progress on structural reforms The authorities intend to request a successor arrangement under the ECF A new finance minister was appointed in April uncertainly remains on the timing of elections Preliminary data suggest that GDP in FY2014 grew by 3.5-4 percent while inflation increased slightly to about 5 percent An increase in fuel prices in October should result in fiscal savings of at least 1 percent of GDP during FY2015 The March performance criterion on net international reserves NIR was met but although the deficit was lower than projected the performance criterion on net central bank credit to the central government was missed Downside risks are significant and include a pull back of Venezuela related flows a resumption of political tensions and vulnerability to weather events A total of SDR 1.638 billion will become available upon completion of this review bringing total disbursements under the ECF to SDR 4.095 billion Key Policy Recommendations The policy mix in particular the adjustment going forward should come from a lower fiscal deficit rather than from a tighter monetary policy The FY2015 fiscal deficit should be reduced to mitigate financing risks as part of a medium term plan to restore fiscal sustainability The central bank should let the exchange rate adjust more to market pressures Intervention should be parsimonious geared at avoiding excess volatility and disorderly movements in the exchange rate it should be guided by fundamentals in the medium term Progress on structural reforms including on the energy sector and on public financial management should catalyze more donor support and is essential for supporting growth A possible new ECF arrangement would entrench macroeconomic stability and promote policies to generate sustained GDP growth **Collaborative Economy and Tourism** Dianne Dredge, Szilvia Gyimóthy, 2017-05-30 This book employs an interdisciplinary cross sectoral lens to explore the collaborative dynamics that are currently disrupting re-creating and transforming the production and

consumption of tourism House swapping ridesharing voluntourism couchsurfing dinner hosting social enterprise and similar phenomena are among these collective innovations in tourism that are shaking the very bedrock of an industrial system that has been traditionally sustained along commercial value chains To date there has been very little investigation of these trends which have been inspired by amongst other things de industrialization processes and post capitalist forms of production and consumption postmaterialism the rise of the third sector and collaborative governance Addressing that gap this book explores the character depth and breadth of these disruptions the creative opportunities for tourism that are emerging from them and how governments are responding to these new challenges In doing so the book provides both theoretical and practical insights into the future of tourism in a world that is paradoxically becoming both increasingly collaborative and individualized

Nepal - India Open Borders Lok Raj Baral,Uddhab P. Pyakurel,2015-12-01 The present book is based on field study of Nepal India open border arrangement and conduct of such unique and free border existing between the two countries since the signing of Sugauli Treaty in 1815 16 Its openness poses both challenges and opportunities for disturbing as well as making bilateral relations smooth and friendly How such close relations which are incomparable to others have been managed and how the newer problems that arise with the pace of time and situation are being addressed are also the theme of study The findings of study are no less significant as Nepal and India have developed mechanisms to deal with the day to day problems making significant improvements for streamlining the border Yet two types of problems have given rise to occasional controversy infringement of border and humanitarian problems caused by the erosion of borderland and occupation of no man s land by both Indian and Nepalis The use and misuse of open border by elements indulged in illegal trade criminal activities of all nature have also made border management more complex The concluding section of the book deals with the corrective measures for making open border more smooth efficient and credible
