Tourism November 2013 Memo

Erika J. Techera, Natalie Klein

Tourism November 2013 Memo:

Annual Report India. Ministry of Tourism, 2013 *Sharks: Conservation, Governance and Management* Erika J. Techera, Natalie Klein, 2014-06-05 The key aim of this book is to explore the global conservation and management of sharks There has been a rapid decline in populations of many shark species while new science has emerged of the critical role they play in marine ecosystems However the authors show that conservation law and policy have been slow to develop with only a small number of iconic species being protected worldwide The increase in fishing impact primarily through shark finning and by catch has led to shark conservation receiving greater international attention in recent years The book explores our current knowledge and status of the law and science in relation to sharks with a particular focus on improving frameworks for their conservation and management Recent trends are analysed including shark finning bans that have been put in place in several countries the widening number of nations establishing shark sanctuaries and the growth of shark based tourism The efficacy of current listing processes for endangered species and fisheries regulations is also examined Tourism is explored as an alternative to fishing and the risks and impacts associated with this industry are analysed Contributors include leading authorities from universities and conservation organizations in North America Europe and Australia A common theme is to emphasise the importance of collaborative governance between various interest groups and the need for inter disciplinary research and management approaches that are necessary to address the decline in sharks **The Irish Yearbook of International Law, Volume 8, 2013** Fiona de Londras, Siobhán Mullally, 2015-09-24 The Irish Yearbook of International Law IYIL supports research into Ireland's practice in international affairs and foreign policy filling a gap in existing legal scholarship and assisting in the dissemination of Irish thinking and practice on matters of international law On an annual basis the Yearbook presents peer reviewed academic articles and book reviews on general issues of international law Designated correspondents provide reports on international law developments in Ireland Irish practice in international bodies Ireland and the Law of the Sea and the law of the European Union as relevant to developments in Ireland In addition the Yearbook reproduces key documents that reflect Irish practice on contemporary issues of international law Publication of the Irish Yearbook of International Law makes Irish practice and opinio juris more readily available to governments academics and international bodies when determining the content of international law In providing a forum for the documentation and analysis of North South relations the Yearbook also makes an important contribution to post conflict and transitional justice studies internationally As a matter of editorial policy the Yearbook seeks to promote a multilateral approach to international affairs reflecting and reinforcing Ireland's long standing commitment to multilateralism as a core element of foreign policy *Sustainable Tourism: Breakthroughs in Research and Practice* Management Association, Information Resources, 2018-12-07 Many countries rely on cultural sites and destinations to support their economies However they are faced with the ongoing challenge of sustaining tourist attractions and maintaining the equilibrium between

the local community and tourist populations Sustainable Tourism Breakthroughs in Research and Practice features current research that takes an in depth look at cooperative strategies and governance for conserving and promoting tourism within both developed and developing economies Highlighting a range of topics such as tourism development environmental protection and responsible hospitality this publication is an ideal reference source for entrepreneurs business managers economists business professionals policymakers academicians researchers and graduate level students interested in the latest research on sustainable tourism

Report: Ghana 2014 Oxford Business Group,2014-12-18 The economy has a history of strong government involvement and a legacy of socialist policies in the 1960s and 1970s with statist companies involved in both energy and agriculture yet the country's market is now among the more liberalised in the region Ghana has a strong export profile although it is somewhat dependent on commodities It is the world's second largest exporter of cocoa behind Cote d'Ivoire and one of the continent's largest gold producers while new reserves of oil and gas have helped further expand its resource wealth The economy saw expansion of 7.1% in 2013 while inflation reached 14.5% in March 2014 Although inflation and balance of payments remain the country's biggest economic challenges measures have been taken to strengthen the cedi and curb inflation **The**

Geo-Politics of LNG in Trinidad and Tobago and Venezuela in the 21st Century (Revised) Daurius

Figueira,2024-03-03 The original text of this work was published in 2014 which meant that events after the death of President Hugo Chavez in Venezuela in March 2013 such as the Maduro Presidency from 2013 to 2024 and the impact of the unilateral coercive measures of the USA on the natural gas sector of Venezuela need to be included in a revised version Likewise the evolution of the gas production shortfall and the measures slated to mitigate this shortfall in T T including the dance with Venezuela for the supply of Venezuelan gas to the gas sector of T T which involves the grave risk of US unilateral coercive measures impacting the gas supply relationship with Venezuela with telling impact on the gas sector of T T must be analysed This updated revision presents then the developments in the gas sectors of Venezuela and T T from 2014 to 2024 thereby analysing the pressing reality of the impact of geopolitics on the LNG sector of both T T and Venezuela in the 21st century *Handbook on Heritage, Sustainable Tourism and Digital Media* De Ascaniis, Silvia,Cantoni, Lorenzo,2022-02-04

Exploring the impact of the rise of digital media over the last few decades this timely Handbook highlights the major role it plays in preserving and protecting heritage as well as its ability to promote and support sustainable tourism at heritage sites Particularly relevant at this time due to the diffusion of smartphones and use of social media chapters look at the experience and expectation of being always on and how this interacts with heritage and tourism Taiwan and China Lowell

Dittmer,2017-10-03 A free ebook version of this title will be available through Luminos University of California Press's Open Access publishing program Visit www.luminosoa.org to learn more China's relation to Taiwan has been in constant contention since the founding of the People's Republic of China in October 1949 and the creation of the defeated Kuomintang KMT exile regime on the island two months later The island's autonomous sovereignty has continually been challenged initially because of the KMT's insistence that it continue to represent not just Taiwan but all of China and later because Taiwan refused to cede sovereignty to the then dominant power that had arisen on the other side of the Taiwan Strait One thing that makes Taiwan so politically difficult and yet so intellectually fascinating is that it is not merely a security problem but a ganglion of interrelated puzzles The optimistic hope of the Ma Ying-jeou administration for a new era of peace and cooperation foundered on a landslide victory by the Democratic Progressive Party which has made clear its intent to distance

Taiwan from China's political embrace The Taiwanese are now waiting with bated breath as the relationship tautens Why did it fail and what chance does Taiwan have without it Contributors to this volume focus on three aspects of the evolving quandary nationalistic identity social economy and political strategy

Maldives International Monetary Fund. Asia and Pacific Dept, 2015-03-13 This 2014 Article IV Consultation highlights that Maldives real economy has picked up Growth is estimated to have reached 5 percent in 2014 with stronger tourism activity driven by a rapid expansion from Asian markets and a tepid recovery from Europe The IMF staff expects growth to be about 5 percent in 2015 Weaker import prices have pushed down inflation to low levels Growth is expected to remain relatively strong in the near term though the fiscal adjustment envisaged in the 2015 Budget will have a mildly negative effect on growth

The JET Program and the US-Japan Relationship Emily T. Metzgar, 2017-07-14 Since 1987 the Japan Exchange and Teaching JET Program has recruited thousands of young college graduates from more than sixty countries including the United States to work in Japan for up to five years Now thirty years after the program s founding there are more than 60 000 JET Program alumni worldwide more than half of them hailing from the United States The JET Program and the US Japan Relationship Goodwill Goldmine argues that JET functions as much more than an opportunity for young people to spend a year or more teaching in Japanese schools or working in municipal offices across the Japanese archipelago This study examines the JET program as a form of public diplomacy and soft power Through original survey data and extensive interviews with alumni the author provides a quantitative analysis of the program s effects and argues that it has been highly useful in shaping interactions between Japan and the United States

Maritime Claims and Boundary Delimitation Nicholas A. Ioannides, 2020-09-27 This book delves into the major developments triggered by the hydrocarbon discoveries in the Eastern Mediterranean over the last twenty years focusing on maritime boundary delimitation Examining the impact that the hydrocarbon discoveries have had on the application of the law of the sea rules by the East Med states the book looks at the new trends concerning the implementation of the law of the sea in the region The

book analyses regional state practice in terms of maritime delimitation namely the conclusion of bilateral agreements based on the law of the sea rules both conventional and customary reflecting the East Med states willingness to cooperate in order to reap the benefits of the energy windfall Alongside this analysis an outline of the hydrocarbon discoveries and the pertinent maritime activities is given as well as further coverage of the overlapping maritime claims and disputes between Greece Cyprus and Turkey on one side and Lebanon and Israel on the other Moreover the book examines the validity of maritime claims made by or through non state entities in the region namely the State of Palestine the UK Sovereign Base Areas and the so called Turkish Republic of Northern Cyprus and their potential impact on the delimitation agreements already in place The book argues that the East Med paradigm concerning the successful application of the pertinent norms in maritime delimitation proves that international law is resilient and capable of providing solutions in other turbulent regions around the globe This book will be of interest and importance to academics and students of international law professionals in the oil and shipping industries legal professionals and government agencies

The Report: Morocco 2014 Oxford Business Group, 2014-06-17 The only monarchy in North Africa Morocco has one of the more diversified GDP mixes in the region and the mainstays of the economy include agriculture tourism and the textiles industry higher end manufacturing IT and communications and outsourcing are also all becoming increasingly important The past few years have seen some significant changes yet the kingdom has remained stable even amidst the broader regional turmoil After 2 7% growth in 2012 economic activity in Morocco ramped up in 2013 increasing by 4 4% as GDP hit Dh864 6bn 76 8bn driven in large part by the agricultural sector The kingdom faces exogenous challenges such as low external demand and high commodity prices as well as domestic complications including a fiscal deficit and unemployment but following the government reshuffle in mid 2013 the prospects look far more positive With the 2014 budget setting a more dynamic tone as the government takes steps to redress key fiscal imbalances there are strong indicators pointing to the economy's ability to continue to grow
