**The Evangelist and the Impresario** Kathryn J. Oberdeck,1999 What is culture and who has the authority to define it If culture is comprised of hierarchies who determines what their standards should be and how What are the stakes involved in conceiving some forms of culture as good and others as bad These may sound like questions from late twentieth century American culture wars but they were already in vigorous dispute a century ago In *The Evangelist and the Impresario* Kathryn Oberdeck explores how a broad range of Americans addressed these questions at the vibrant intersection of religion vaudeville and class politics at the turn of the twentieth century *The Evangelist and the Impresario* focuses on the intriguing careers of two remarkable public figures Irish born socialist Alexander Irvine and Italian American entertainment mogul Sylvester Poli Using these two characters as tour guides Oberdeck leads readers through a period of upheaval in America s intellectual history when religion and entertainment combined to produce critical cultural debate The narrative follows Irvine s career as Protestant minister socialist activist popular author and vaudeville actor and Poli s success as a theatrical entrepreneur with a circuit of East Coast vaudeville houses Examining the varied connections the two men made across the Atlantic and the United States Oberdeck traces the way Irvine drew on the formulas and themes of Poli s entertainment world to develop novel popular approaches to evangelism and class politics As both men sought audiences across lines of class as well as race ethnicity and gender the author contends their careers demonstrate how these intersecting dimensions of social difference informed definitivedebates about cultural standards among ordinary Americans Irvine Poli and their audiences in theater religion and working class politics pondered these differences in ways that helped to reformulate cultural hierarchies of Protestant uplift and Darwinian struggle into concepts of cultural pluralism Thus far from simply recounting biographies Oberdeck traces cultural trajectories mapping alliances that shaped the careers of two men whose engagement with popular audiences helped to transform intellectual arguments taking place in the twentieth century public sphere By charting connections across their converging paths this stimulating book shows how Irvine Poli and the communities they addressed challenged the cultural vocabularies of class distinction in their era In the process it reveals how entertainment audiences trade unionist church goers working class mothers and immigrant thespians along with cultural elites helped to shape the terms of twentieth century cultural debate

**Beauty in Science and Spirit** Paul H. Carr,2007-10      **Communication Technology Update** August E. Grant,Ashley J. Bennington,2014-05-16 Communication Technology Update Third Edition provides the latest

information on as many communication technologies as possible using as many specific statistics on market share units sold etc as possible to allow comparison among the technologies This book is designed to help make sense of the spectrum of communication technologies The text explores the widest possible range of technologies from broadcast to telephony and from wired to wireless In discussing each technology this book will not only deal with the hardware of the technology but also with the software organizational structure political and economic influences and individual users of the technologies Major developments in each of these areas are presented for each technology along with background information to help explain the major factors in the evolution of the technology The first chapter begins by defining communication technology and introducing the umbrella perspective used to present and analyze each technology Following this discussion an overview of the remainder of the book is presented This book targets two groups of users One of which is the group of communication professionals who have a desire to keep up with the latest developments both within and adjacent to their particular fields Second is the group of students who are studying communication technology and need information that is more current than that provided by a textbook and more comprehensive than that found in trade magazines **Cable Television Business**, 1988

**Hedge Fund Activism in Japan** John Buchanan, Dominic Heesang Chai, Simon Deakin, 2012-05-24 Hedge fund activism is an expression of shareholder primacy an idea that has come to dominate discussion of corporate governance theory and practice worldwide over the past two decades This book provides a thorough examination of public and often confrontational hedge fund activism in Japan in the period between 2001 and the full onset of the global financial crisis in 2008 In Japan this shareholder centric conception of the company espoused by activist hedge funds clashed with the alternative Japanese conception of the company as an enduring organisation or a community By analysing this clash the book derives a fresh view of the practices underpinning corporate governance in Japan and offers suggestions regarding the validity of the shareholder primacy ideas currently at the heart of US and UK beliefs about the purpose of the firm

**Marketing** William Morgan Pride, O. C. Ferrell, 2010 To maximise this publications core strengths the authors have included revised concepts features and examples throughout to maintain timely coverage of current marketing trends and strategies "Everybody was Black Down There" Robert H. Woodrum, 2007 In 1930 almost 13 000 African Americans worked in the coal mines around Birmingham Alabama They made up 53 percent of the mining workforce and some 60 percent of their union s local membership At the close of the twentieth century only about 15 percent of Birmingham s miners were black and the entire mining workforce had been sharply reduced Robert H Woodrum offers a challenging interpretation of why this dramatic decline occurred and why it happened during an era of strong union presence in the Alabama coalfields Drawing on union company and government records as well as interviews with coal miners Woodrum examines the complex connections between racial ideology and technological and economic change Extending the chronological scope of previous studies of race work and unionization in the Birmingham coalfields Woodrum covers the New

Deal World War II the postwar era the 1970s expansion of coalfield employment and contemporary trends toward globalization The United Mine Workers of America s efforts to bridge the color line in places like Birmingham should not be underestimated says Woodrum Facing pressure from the wider world of segregationist Alabama however union leadership ultimately backed off the UMWA s historic commitment to the rights of its black members Woodrum discusses the role of state UMWA president William Mitch in this process and describes Birmingham s unique economic circumstances as an essentially Rust Belt city within the burgeoning Sun Belt South This is a nuanced exploration of how despite their central role in bringing the UMWA back to Alabama in the early 1930s black miners remained vulnerable to the economic and technological changes that transformed the coal industry after World War II **CED.** ,1994 Congressional Record United States.
