

# A Teacher's Retirement Blessing

By Barbara D. MacAdam

You started on this journey, so many years ago, and now it's time to leave behind dear friends you've come to know!

It seems to me that this was more than just a job to you. The passion & the love you have for teaching shines right through.

You taught that there is more to life than being at the top. It's in how you choose to get there, that the blessings never stop.

You encouraged them to do their best & never mind their peers, to choose the straight and narrow, and to overcome their fears.

I've often thought how powerful your influence must be. You turned each student's world of dreams into possibilities!

Now I pray God keeps you safe and well, wherever you may turn, surrounded by your loved-ones, living out the dreams you've earned.

*Barbara D. MacAdam*

So never waste time wishing that you could have done much more... time to watch those seeds you planted grow and trust God for what's in store!

*Affection and Other Poems* Carmelita Ledesma Agnas, 2012-07 I think poetry is the dancing

and singing of words at the back of the brain hoping to get out and be written down When I felt these words struggling I wrote them down It became the poems beautiful and not too appealing to some senses They are the words expressing my thoughts and feelings looking at the focus of the poems words that aim for the soul's perfection but never attained I believed perfection is beyond the human reach C L Agnas      **The Buddhist Poetry of the Great Kamo Priestess** Edward

Kamens, 2021-01-19 Senshi was born in 964 and died in 1035 in the Heian period of Japanese history 794-1185 Most of the poems discussed here are what may loosely be called Buddhist poems since they deal with Buddhist scriptures practices and ideas For this reason most of them have been treated as examples of a category or subgenre of waka called Shakkyōka Buddhist poems Yet many Shakkyōka are more like other poems in the waka canon than they are unlike them In the case of Senshi's Buddhist poems their language links them to the traditions of secular verse Moreover the poems use the essentially secular public literary language of waka to address and express serious and relatively private religious concerns and aspirations In reading Senshi's poems it is as important to think about their relationship to the traditions and conventions of waka and to other waka texts as it is to think about their relationship to Buddhist thoughts practices and texts The Buddhist Poetry of the Great Kamo Priestess creates a context for the reading of Senshi's poems by presenting what is known and what has been thought about her and them As such it is a vital source for any reader of Senshi and other literature of the Heian period      **International Family Poetry Anthology** Joseph S.
