The Bloomsbury Handbook of Religious Education in the Global South Yonah Hisbon Matemba, Bruce A.

Collet, 2022-02-10 The Bloomsbury Handbook of Religious Education in the Global South presents new comparative perspectives on Religious Education RE across the Global South Including 23 chapters written by scholars from the Global North and South this is the first authoritative reference work on the subject The handbook is thematically organised into seven sections The first three sections deal with provision response to changes in contemporary society and decolonizing RE The next four sections explore young people and RE perspectives on teachers RE in higher education and finally challenges and opportunities for RE The term Global South is used here primarily to signify the deep economic divide with the Global North but the concept is also examined in historical geographical political social and cultural terms including the indelible influence of religion in all four broadly defined regions Exploring RE from local cross national as well as regional and sub regional perspectives the handbook examines RE from its diverse past present realities and envisioned future revealing not only tensions contestations injustices and inequalities of power but importantly how inclusive forms of RE can help solve these problems

Debates in Primary Education Virginia Bower, 2020-10-19 This powerful text encourages both pre service and established teachers as well as teacher educators to engage with contemporary debates in primary education Promoting a critical approach the chapters explore a wide range of key themes including the importance of values in primary education and the imperative for a curriculum which embraces the whole range of available subjects At the same time the chapters are underpinned by a belief that children should be at the heart of all the decisions we make and that primary education should inspire a love of learning for life The book aims to support practitioners to make informed judgements and feel confident to argue their point of view with deeper theoretical knowledge and understanding thus increasing teacher agency and confidence in responding to complex educational and social dilemmas such as literacy levels and rising mental health concerns Chapters encompass both the macro aspects of primary education and more specialised debates on key topics such as reading mathematics languages early years education and the use of technology With annotated further reading and reflective questions this key text is essential reading for all those wanting to develop a better understanding of the issues that shape their practice including student teachers at both undergraduate and postgraduate level practising teachers engaged in continuing professional development and teacher educators

Politics, Christianity and Society in Malawi Ross, Kenneth R., Mulwafu, Wapulumuka O., 2020-02-27 With the death of John McCracken in 2017 Malawi lost a pre eminent historian This book celebrates McCracken s contribution to the study of Malawi s history and seeks to build on his legacy Part of his genius was that he identified themes that hold the key to understanding the history of Malawi in its broader perspective The authors contributing to this volume address these themes assessing the progress of historiography and setting an agenda for the further advance of historical studies The book is a valuable resource for students researchers and

all who are interested in gaining a deeper understanding of Malawi's past and present *Teaching Statistics in School Mathematics-Challenges for Teaching and Teacher Education* Carmen Batanero,Gail Burrill,Chris Reading,2011-07-31 Teaching Statistics in School Mathematics Challenges for Teaching and Teacher Education results from the Joint ICMI IASE Study Teaching Statistics in School Mathematics Challenges for Teaching and Teacher Education Oriented to analyse the teaching of statistics in school and to recommend improvements in the training of mathematics teachers to encourage success in preparing statistically literate students the volume provides a picture of the current situation in both the teaching of school statistics and the pre service education of mathematics teachers A primary goal of Teaching Statistics in School Mathematics Challenges for Teaching and Teacher Education is to describe the essential elements of statistics teacher's professional knowledge and their learning experiences Moreover a research agenda that invites new research while building from current knowledge is developed Recommendations about strategies and materials available to train prospective teachers in university and in service teachers who have not been adequately prepared are also accessible to the reader

Student Teacher's Perceptions of the Pre-Service Mathematics Programme in a Primary Teachers' College in Zimbabwe Barnabas Muyengwa,2013 This case study investigated the perceptions of the third year student teachers of the first year pre service Mathematics programme at Seke Teachers College in Zimbabwe Student background characteristics of gender age teaching experience and Mathematics specialisation were the independent variables also investigated Data was collected from 278 third year students enrolled for the general Diploma in Education course using questionnaires with a five point Likert type 33 item rating scale and open ended items The data so collected were analysed both quantitatively and qualitatively The findings indicated that although the programme was able to provide students with a foundation in subject knowledge more could be done to improve on training in teaching methods and provision of resources From the variables investigated gender was found to have an effect on students perceptions of the programme but teaching experience was found to have no effect The possible relationship between the independent variables of age and Mathematics specialisation and the dependent variable of students perception of the programme was indicated in too few items to warrant a definite conclusion Implications for the improvement of the programme are that there is need for the college to revisit some aspects of the structure and organisation of the programme There is also need for further research involving all primary teachers colleges **Teaching Religious and Worldviews Education Creatively** Sally Elton-Chalcraft,2024-07-30 Teaching Religious and Worldviews Education Creatively offers a fresh perspective on the Religious Education RE curriculum This second edition is crammed full of practical lesson ideas underpinned by cutting edge research authored by specialists in the field It helps teachers understand what constitutes an effective and creative Religion and Worldviews Education RWE curriculum and challenges teachers to view RWE as a transformatory subject that offers learners the tools to be discerning to work out their own beliefs and to answer puzzling questions This second edition of Teaching Religious and Worldviews

Catholic Education Sean Whittle, 2018-01-25 This book presents a range of perspectives on the current state of Catholic education in the opening decades of the twenty first century All of the chapters have their origin in an International Conference on Catholic Education held at Heythrop College University of London in September 2016 The book brings together many leading scholars to present a survey of the latest research on Catholic education in areas such as the aims of Catholic education Catholic schools and Catholic identity leadership issues in Catholic schools and fresh thinking about the place of Religious Education RE in Catholic Education This book demonstrates how the field of Catholic Education Studies has firmly come of age Rather than being a subfield of educational or theological discourse it is now an established field of research and study As such the book invites readers to engage with much of the new thinking on Catholic education that has grown rapidly in recent years It offers a broad range of contemporary perspectives on research in Catholic Education and rich insights into current thinking about Catholic Education

Final Development Plan for the SEAMEO Regional Centre for Education in Science and Mathematics RECSAM (Organization), 1970 Inspirational Guide for the Implementation of PRME Principles for Responsible Management Education, 2017-09-08 Since the inception of the United Nations Global Compact sponsored initiative Principles for Responsible Management Education PRME in 2007 there has been increased debate over how to adapt management education to best meet the demands of the 21st century business environment While consensus has been reached by the majority of globally focused management education institutions that sustainability must be incorporated into management education curricula the relevant question is no longer _why_ management education should change but _how_ Although the PRME initiative is set to increase to 1 000 signatories by 2015 it is equally important for PRME to cultivate actively engaged participants Therefore the next step is for current participants to transition from a global learning community to an action community For this purpose the PRME Secretariat invited a small group of experts to coordinate an Inspirational Guide for the Implementation of PRME which was presented at the 3rd Global Forum for Responsible Management Education the official platform for management related Higher Education Institutions HEIs at both the Global Compact Rio 20 Corporate Sustainability Forum and the UN Conference on Sustainable Development Rio 20 in June 2012 in Rio de Janeiro The Guide answers the most frequently asked questions concerning the implementation of PRME by highlighting real world examples from the most engaged signatories The exercise has proven successful and this publication features 63 case stories from 47 institutions representing 25 countries across Asia Oceania the Americas Europe the Middle East and Africa They are the real actors in this effort and their stories are truly inspirational Their experiences are classified into six sections which address the Six Principles of PRME Purpose Values Method Research Partnership and Dialogue as well as important related aspects such as how to get started how to successfully report on PRME adoption and so on The full richness of experiences set forth in this Guide is captured only by reading the wealth of innovative practices found in each case

RECSAM Newsletter RECSAM (Organization), 1973 **Does Religious Education Work?** James C.

Conroy, David Lundie, Robert A. Davis, Vivienne Baumfield, L. Philip Barnes, Tony Gallagher, Kevin Lowden, Nicole Bourque, Karen J. Wenell, 2013-10-31 Society for Educational Studies Annual Book Prize winner 2nd Prize This groundbreaking volume draws upon a rich and variegated range of methodologies to understand more fully the practices policies and resources available in and to religious education in British schools The descriptions explanations and analyses undertaken here draw on an innovative combination of policy work ethnography Delphi methods Actor Network Theory questionnaires textual analysis as well as theological and philosophical insight It traces the evolution of religious education in a post religious age from the creation of policy to the everyday experiences of teachers and students in the classroom It begins by analysing the way in which policy has evolved since the 1970s with an examination of the social forces that have shaped curriculum development It goes on to explore the impact and intentions of a diverse group of stakeholders with sometimes competing accounts of the purposes of religious educations It then examines the manner in which policy is or is not enacted in the classroom Finally it explores contradictions and confusions successes and failures and the ways in which wider public debates enter the classroom The book also exposes the challenge religious education teachers have in using the language of religion
