

# THE BOY IN THE STRIPED PYJAMAS

## CHAPTER SIX (FULL LESSON)

**Reading focus:**  
**The portrayal of the Nazis**

When we look back at the history of the Holocaust, it is commonly accepted that the Nazis were just evil people. By labelling them like this it makes them seem monstrous and inhuman – and distances them from the rest of us.

It is easier to imagine the Nazis as “normal people” with emotions, fears and dreams because if “normal people” can commit something as awful as the Holocaust, then does that mean we all have the capacity for evil inside us? Does this mean that events like the Holocaust will continue to happen?

In this chapter, we see a different side to Father – a kind and good side. Think about why John Boyne has included this. What effect does it have on the reader?

You are going to have a discussion. You will be allocated the role of a character from the story.

Discussing this prompt:

*Life in life is determined by your background.*

About your character and this statement and how it fits in the discussion. It is your turn to speak for your discussion.

**Discussion**

These are the skills that you need to focus on in this activity:

| Grade       | Description                                                                                                                                                                                                                                                                                                      |

**Redefining English for the More Able** Ian Warwick, Ray Speakman, 2018-04-20 *Redefining English for the More Able* is a practical guide offering English teachers a range of strategies to stretch and challenge their students. Written by Ian Warwick, founder of London Gifted and Talented, and Ray Speakman, this book provides a fresh perspective on the purpose of English teaching and the benefits it can offer all students. Drawing on an array of ideas and examples from different genres of literature, the book discusses how threshold concepts can be used to frame English teaching and push the boundaries of students' learning. The chapters provide example lesson plans targeted at different age groups from Key Stages 2-5 and address different aspects of English, including short stories, poetry, film, drama, and science fiction. Warwick and Speakman examine how the requirements for teaching more able students have received more recent focus under Ofsted and offer specific examples of activities and reflective questions that can engage students more deeply in their appreciation of English. This well researched and accessible guide will be an invaluable tool for English teachers, teaching assistants, and school leaders wishing to reflect on new ways of motivating and teaching the more able in order to develop the intellectual curiosity of all their students.
