Belligerent Broadcasting Michael Higgins, Angela Smith, 2016-09-13 Why is rudeness such a prominent feature of contemporary broadcasting If broadcasting is about the enactment of sociability then how can we account for the fact that broadcasting has become a sphere of anger humiliation anger dispute and upset And to what extent does belligerence in broadcasting reflect broader social and cultural developments This book reflects upon and analyses the development of belligerent broadcasting beginning with an examination of belligerence in its historical context and as an aspect of wider cultural concerns surrounding the retreat of civility With attention to the various relations of power expressed in the various forms of belligerent conduct across a range of media genres the authors explore its manifestation in political interviews in the form of confrontation in talk shows in makeover television as an authentic means of proffering opinion and as a form of sociability or banter Richly illustrated with studies and examples of well known shows from both sides of the Atlantic including The Apprentice The Fixer American Idol Gordon Ramsay's Kitchen Nightmares DIY SOS The Jeremy Kyle Show and Dragon's Den this book reflects on the consequences and potentialities of belligerence in the media and public sphere It will appeal to scholars and students of cultural and media studies communication and popular culture

Wild Hope Gayle Boss, 2020-01-21 From the bestselling author of All Creation Waits a beautiful book for Lent Pangolins and polar bears olms lemurs and leopards We share this planet with creatures magnificent delicate intricate and now vanishing at a faster rate than at any other time in Earth's history Spend Lent with twenty five of these endangered animals Vivid descriptions of the miracle of each creature and the peril it faces will fill readers with wonder and grief at what these animals suffer on a planet shaped by human choices Their true and difficult stories will wake readers to a greater compassion which is what Lent meaning springtime has always been for These stories also wake in us a wild hope that from all this death and ruin something new could rise The promise of Lent is that something new will rise In fact as these stories attest our hope though wild is not impossible and is already loose in the world Wild Hope is the only book whose table of contents alone gave me chills Here's the deal the living world life on planet Earth is sacred Author Gayle Boss yearns to show us that we live in a miracle And she succeeds in showing us that we are not alone on this holy planet This is a beautifully elegant deeply excellent book pursued by grace on every page in every stunning illustration Carl Safina ecologist NYT bestselling author of Beyond Words and Becoming Wild MacArthur Fellow and founder of The Safina Center

Historical Dictionary of Science Fiction in Literature M. Keith Booker, 2014-10-01 The Historical Dictionary of Science Fiction in Literature is a useful reference to the broad and burgeoning field of science fiction literature Science fiction literature has gained immensely in critical respect and attention while maintaining a broad readership However despite the fact that it is a rapidly

changing field contemporary science fiction literature also maintains a strong sense of its connections to science fiction of the past which makes a historical reference of this sort particularly valuable as a tool for understanding science fiction literature as it now exists and as it has evolved over the years The Historical Dictionary of Science Fiction in Literature covers the history of science fiction in literature through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries including significant people themes critical issues and the most significant genres that have formed science fiction literature This book is an excellent access point for students researchers and anyone wanting to know more about this subject [Ancient Catastrophes and Forgotten Civilizations](#) Learn

Alchemical,2025-08-28 Ancient Catastrophes and Forgotten Civilizations takes readers on a gripping journey into humanity's deepest past where myth and science converge to reveal a world shaped by fire flood and upheaval For centuries legends of deluges fiery skies and vanishing lands were dismissed as fantasy Yet modern geology archaeology and climatology now confirm what ancient storytellers preserved Earth has always been a restless planet and civilizations have risen and fallen under its violent hand From the cataclysmic eruption of Toba to the collapse of Santorini's volcano that may echo in the tale of Atlantis from the Younger Dryas impact hypothesis to the drowning of Doggerland and the Black Sea flood this book uncovers the scientific truths hidden in myths across cultures Aboriginal Dreamtime Norse Ragnarok and Native American flood stories are revealed as not just allegories but memory archives living records of events that reshaped landscapes and societies Blending mythological analysis with cutting edge science Ancient Catastrophes and Forgotten Civilizations reframes humanity's oldest stories as survival manuals from the past It is a chronicle of disasters that forged resilience innovation and cultural memory and a timely reminder that the forces which shaped our ancestors still surround us today **Shimon Peres**

Avi Gil,2020-11-12 The late Israeli Foreign Minister Prime Minister and President Shimon Peres was a towering figure in Israeli and Middle Eastern politics But what drove the hawkish statesman behind Israel's nuclear deterrence and early settlement policy to stake his political reputation on peace negotiations with the Arab world and the PLO Israel's sworn enemy In this insider's account written by Avi Gil Peres's close confidant over almost 30 years we witness firsthand the tense moments during the historic Oslo talks kept under the strictest secrecy when the explosive revelation that Peres was directing direct communications with Yasser Arafat's representatives for the first time threatened to leak to the press We also see the fervent discussions and arguments between the personalities involved in the peace process including Peres's rivalries with the Prime Ministers he served under including Rabin Sharon and Netanyahu Although one of Peres's most trusted colleagues Gil offers a frank assessment of his mentor recounting his foibles and failures as consistently as he does his victories We are shown Peres's unique energy and optimism for Israel and its Arab neighbors in his vision of a New Middle East But most valuable of all we gain unique insight into the actual thought processes conversations and decisions of Peres and his colleagues and adversaries as they initiated processed and reacted to events in real time shedding new light on

a historic period in Israeli and Middle Eastern History Of unique value to all those interested in the Israeli Palestinian conflict the book is also an insightful meditation on the inner workings of all high level government and diplomatic negotiations
