Edwards,John Magee,W.H.C. Bassetti,2018-07-24

This revised and updated version of the best selling book Technical Analysis of Stock Trends 10th Edition presents proven long and short term stock trend analysis enabling investors to make smart profitable trading decisions The book covers technical theory such as The Dow Theory reversal patterns consolidation formations trends and channels technical analysis of commodity charts and advances in investment technology The book also includes a comprehensive guide to trading tactics from long and short goals stock selection charting low and high risk trend recognition tools balancing and diversifying the stock portfolio application of capital and risk management This sharpened and updated new edition offers patterns and charts that are tighter and more illustrative including modifiable charts Expanded material will be offered on Pragmatic Portfolio Theory as a more elegant alternative to Modern Portfolio Theory and a newer simpler and more powerful alternative to Dow Theory is presented **Technical Analysis of Stock Trends, Tenth Edition** Robert D. Edwards,John Magee,W.H.C. Bassetti,2012-11-28

Sixty three years Sixty three years and Technical Analysis of Stock Trends still towers over the discipline of technical analysis like a mighty redwood Originally published in 1948 and now in its Tenth Edition this book remains the original and most important work on this topic The book contains more than dry chart patterns it passes down accumulated experience and wisdom from Dow to Schabacker to Edwards and to Magee and has been modernized by

W H C Bassetti Bassetti a client friend and student of John Magee one of the original authors has converted the material on the craft of manual charting with TEKNIPLAT chart paper to modern computer software methods In actuality none of Magee s concepts have proven invalid and some of his work predated modern concepts such as beta and volatility In addition Magee described a trend following procedure that is so simple and so elegant that Bassetti has adapted it to enable the general investor to use it to replace the cranky Dow Theory This procedure called the Basing Points procedure is extensively described in the new Tenth Edition along with new material on powerful moving average systems and Leverage Space Portfolio Model generously contributed by the formidable analyst Ralph Vince author of Handbook of Portfolio Mathematics See what s new in the Tenth Edition Chapters on replacing Dow Theory Update of Dow Theory Record Deletion of extraneous material on manual charting New chapters on Stops and Basing Points New material on moving average systems New material on Ralph Vince s Leverage Space Portfolio Model So much has changed since the first edition yet so much has remained the same Everyone wants to know how to play the game The foundational work of the discipline of technical analysis this book gives you more than a technical formula for trading and investing it gives you the knowledge and wisdom to craft long term success

Building Wealth with Silver Thomas Herold,2011 The greatest transfer of wealth in the nation and the world is now unfolding Money is about to flow away from the financially uninformed and flow towards the financially well informed in the years ahead Whenever governments start to dilute their money investors transfer their money into gold and silver Although gold is a great way to preserve your wealth it s silver you could actually make a fortune with Protect your savings and create a substantial investment income every single month Financial ignorance is the only reason you are not yet cashing in on the biggest wealth transfer in history A Solid Method to Achieve Financial Freedom This book will show you exactly how to live and prosper by the new laws of money in the new economy It will show you how to beat the new money thieves Banks and Governments at their own game while quietly profiting from the money meltdown that is now underway We are approaching a monetary crisis of epic proportions never before seen You are probably aware of the rising price of gold that s been going on for almost 10 years now Most recently gold started climbing with even greater speed History repeats itself again and again Whenever governments start to dilute their money investors transfer their money into gold and silver Gold and silver have intrinsic value and will always prevail in any economy Many financial experts predict that gold could at least double to 3 000 3 500 and some say even 5 000 But experts also predict the price of silver could rise seven to eight times its current value before hitting its peak What most non investors and investors including yourself probably don t realize is that although gold is a great way to preserve your wealth it s silver that could actually make you rich The price of gold has already risen dramatically but silver is just beginning its parabolic climb Over the last 9 years the silver price increased an average of 29% per year Compare this to the stock and real estate market which declined when adjusted for inflation Nine Reasons Why Silver is a Unique Wealth Building Instrument Silver like gold has intrinsic value Silver has been
