Teampulse Standard Edition:

Lean Culture for the Construction Industry Gary Santorella, 2017-09-19 Many of the struggles that we are currently experiencing when attempting to implement Lean in the construction environment are the direct result of applying Lean tools out of proper context Understanding Lean as an overall operating system will help to avert this all too common pitfall An in depth exploration of the application of Lean initiatives in the construction industry Lean Culture for the Construction Industry Building Responsible and Committed Project Teams Second Edition provides updated chapters with new insights on the relationships between owners architects general contractors and subcontractors demonstrating how Kaizen events focused on building positive culture through vulnerability based trust improved processes and eliminated work stoppages Lean tools alone don't lead to successful Lean initiatives the missing piece is culture Written by a veteran consultant in the construction field the book draws a connection between how construction professionals act as leaders and how their attitude and behavior affect productivity and waste daily While value stream mapping is an important tool for righting broken processes and resolving conflicts future state maps will fail if leaders continue to work in silos protect their territories and don't see that their success is directly tied to the success of their co leaders The author expands the notion of ethics beyond the simple litmus test of right and wrong so team leaders can adopt professional and productive attitudes and behaviors toward the implementation of Lean improvements This book demonstrates how in an industry where waste is rampant and depends on wide range of people and personalities to successfully build a job Lean thinking can make the difference between a profitable competitive construction team and mass inefficiencies stunted profitability and lost future opportunities

Oxford Handbook of Integrated Dental Biosciences Hugh Devlin, Rebecca Craven, 2018-03-02 Practical comprehensive and concise the Oxford Handbook of Integrated Dental Biosciences has been designed to reflect problem based teaching scenarios with extensive diagrams and illustrations to aid clinical understanding of the main text Summary and key point boxes have been incorporated throughout to allow quick reference and easy assimilation of the content Formally known as the Oxford Handbook of Applied Dental Sciences this second edition has been completely rewritten by a brand new author team to closely integrate the non clinical and clinical aspects of dentistry Featuring separate sections detailing the relevant clinical application and putting the science into context this handbook is ideal for dental students dental trainees studying for higher qualifications and practitioners as a useful aide memoire

Faf Through Fire Faf Du Plessis, 2023-05-29 Faf through Fire is far more than just a book about cricket It is the story of a man who happened to play the sport at the highest level This brutally honest fascinating introspective work provides a unique insight into the mind and heart of one of South Africa's most interesting and charismatic cricketers There is the public persona the tattooed fashion conscious mentally tough immensely popular and yet at times misunderstood Du Plessis And then there is the authentic Faf It took him years to connect with this side of himself but when he did it shaped his relationships with people and ultimately his

captaincy of the Proteas In this book Du Plessis lays bare the story of his growth from a youth with a questionable moral compass outside of cricket to a leader known for his integrity values honesty and empathy for his teammates He reflects on how influential leaders such as Gary Kirsten Stephen Fleming Doc Moosajee Graeme Smith A B de Villiers Owen Eastwood Russell Domingo Ottis Gibson and M S Dhoni helped mould him into a man who leads with grit purpose and a love of people He also explores the destructive relationships offering his perspective in devastating detail on his final years of international cricket Neither the changing room nor the boardroom is off limits in this no holds barred account **Creating Teams**
