

saint tears

What will I look like in the after life?

*Will I be the same in heaven
As I am on earth?*

*Or will I be everything I have
always dreamed of but never was?*

*In the afterlife I will be taller
And more lean and muscular*

And I will dose wild and

Raw sexuality? I will be charming

And intelligent and witty and hilarious?

If I die and go to heaven and

I am still just me, I don't think

Heaven is as great as they always

Say it is. If I'm still just me

I really don't see the point.

Catholic World ,1875 Holy Tears Kimberley Christine Patton,John Stratton Hawley,2018-06-26 What religion does not serve as a theater of tears Holy Tears addresses this all but universal phenomenon with passion and precision ranging from Mycenaean Greece up through the tragedy of 9 11 Sixteen authors including many leading voices in the study of religion offer essays on specific topics in religious weeping while also considering broader issues such as gender memory physiology and spontaneity A comprehensive elegantly written introduction offers a key to these topics Given the pervasiveness of its theme it is remarkable that this book is the first of its kind and it is long overdue The essays ask such questions as Is religious weeping primal or culturally constructed Is it universal Is it spontaneous Does God ever cry Is religious weeping altered by sexual or social roles Is it perhaps at once scripted and spontaneous private and communal Is it
