Tech Holiday Gift Guide 2011:

The Video Game Industry Peter Zackariasson, Timothy Wilson, 2012-08-21 The Video Game Industry provides a platform for the research on the video game industry to draw a coherent and informative picture of this industry Previously this has been done sparsely through conference papers research articles and popular science books Although the study of this industry is still stigmatized as frivolous and only game oriented those who grew up with video games are changing things especially research agendas the acceptance of studies and their interpretation This book describes and defines video games as their own special medium They are not pinball from which they grew nor movies which they sometimes resemble They are a unique form of entertainment based on meaningful interactions between individuals and machine across a growing sector of the population The Video Game Industry provides a reference foundation for individuals seriously interested in the industry at the academic level As a result this book will serve as a reference in curricula associated with video game development for years to come

Wyoming History News, 2011 **Tech Billionaires** Lewis D. Solomon, 2011-12-31 In the first decade of the twenty first century a new wave of thinking has emerged from tech billionaires that may shape the way private capital gets invested to tackle social problems These entrepreneurs broke the business mold in the 1980s and 1990s and are now trying to break the traditional pattern of philanthropy pioneered by Andrew Carnegie and John D Rockefeller Sr some one hundred years ago Combining billions of dollars of their personal capital with new ideas cutting edge businesslike techniques media and marketing savvy the tech benefactors profiled in this book are attacking some of the globe's most intractable societal problems In trying to make a difference in the world these new philanthropists dubbed philanthrocapitalists by the author seek to break down traditional barriers dividing business charity and government As a result of the rapid wealth creation in recent years the world now boasts 1 125 billionaires many of whom are self made according to the Forbes 2008 list including Bill Gates Pierre Omidyar Jeffrey Skoll Stephn Case Sergey Brin Larry Page and more Their massive wealth has created new

philanthropic challenges Imaginative giving by the new billionaires is beginning to transform philanthropy in terms of timing involvement strategy and tactics How this development impacts society as a whole is the subject of Lewis Solomon s book As the author notes the traditional categories of business and philanthropy may no longer serve to meet the challenge of social problems In the twenty first century the tools and resources used to solve societal problems will be far more varied and mixed than previously We now see interesting partnerships and new ways of thinking The divide between profit and social good will narrow If successful in using their money in innovative ways government or for profit business could scale up the catalytic efforts of the new philanthropists This volume is a proactive innovative guide to a new era not just a new technique of monetary support Engagement Marketing Gail F. Goodman,2012-05-01 A definitive guide to growing your small

business through Engagement Marketing As a small business owner you ve always relied on word of mouth referrals to grow your business Thanks to social media and its nimble partner mobile technology it s now easier than ever to turn customers and clients into engaged fans who spread the word about your business across a variety of online platforms And that s what Engagement Marketing is all about Written for anyone who owns or manages a small business or non profit this book is filled with practical hands on advice based on the author s experience of working with thousands of small businesses for over a decade You ll learn how to attract new prospects as well as how to increase repeat sales using your existing customers and social networks Learn how to create customer experiences that increase positive customer reviews and endorsements Get practical advice on how to entice people to join your social networks and run engagement campaigns that increase visibility and endorsements for your business Understand why engagement is so important and how you can use it to turn passionate fans in your social networks into tomorrow s new business Author Gail Goodman is CEO of Constant Contact America s leading email and social media marketing company for small businesses Engagement Marketing will help you make a bigger name for your company build your network and reach your goals Web Search Engine Research Dirk

Lewandowski,2012-04-19 Provides an understanding of Web search engines from the unique perspective of Library and Information Science This book explores a range of topics including retrieval effectiveness user satisfaction the evaluation of search interfaces the impact of search on society and the influence of search engine optimization SEO on results quality
