Someone To Love:

If You Have Someone.... (Love Become 'Vulgarity') Jwala Mukesh,2021-09-25 When Lucky first said I love you He meant it forever no matter what people say he want her life long as a life partner How to Make Someone Love You Forever! Nicholas Boothman,2004-01-01 Finding true love has never been easier with the help of a simple program that includes self assessment tests practical advice and information on creating a personal connection with the person that completes you personally Impermanent Footprints Jill Marcy,2010-05-20 As I leave my time on this earth I know that my footprints on it are silent invisible and impermanent upon its surface My existence is only recorded by those I ve known in my life in their memories of me These too are impermanent and will in time fade and become no more This is the cycle of life I write this book as a personal record of my viewpoints interpretations of what I have viewed and experienced whilst on my earth walk My motivation to write it is like many before me and many more after I am gone To leave a vision in print for others to reference to or use as a signpost towards a path upon which they might like to journey themselves I write this book of reference mainly for my sons for when I am gone they will in time forget my voice of guidance and this book will be a way of keeping my teachings and guidance available for them to tap into if they need once I am no longer here physically I began to write this book in the year 2007 I am now reaching my mid 40 s and am beginning to start my reflective years of living My generation has been given the name of the X generation which is interesting due to the content of my book falling into the X factor However if you ask my sons they would have you believe that I m well into being OLD In history men and women were respected in their elder years as the tribes and cultures of those times valued their wisdom which they contributed to the younger members of the tribe Storytelling was a valued tradition as it was in that time the only way to hand down knowledge so it could continue on through the younger generations In our modern society this tradition is considered barbaric and youth is valued now and society continues to endorse how to stay YOUNG *What is LOVE?* Edgars Sermuks,2011-11-15 Edgars Sermuks was born raised and educated in Latvia a European Union country across the Baltic Sea from Scandinavia He has a Bachelor s degree in Business administration from the Business School Turiba He has held jobs in the banking system life insurance and as a construction foreman but presently devotes his energy to a variety of creative social projects He believes we are all put on Earth to fulfill a personal mission and create positive change and that people must take collective action to improve themselves and the world around them He believes it is his obligation to leave a lasting contribution **Love Misinterpreted** James Russell Roundtree,2023-06-29 My book is about disappointment love pain betrayal and success My dream was to finish high school in 1974 and go straight to college I had a minor setback My high school sweetheart was pregnant I had a decision to make either go to college or find a job This was the most important decision I had to make in my life But I chose to take care of my unborn child I had to put college on hold So at the age of eighteen I married her Eight years later we were divorced I was faced with another important decision to raise my daughters without their mother She

gave me sole custody through the court Now I had to take the role of both parents I found love again in my third wife There were struggles in raising six children I had three failed businesses which was heartbreaking but I never gave up on business I went back to college and graduated with an associate degree and a bachelor s degree in business and became successful I overcame my failures from my first wife and worked on a successful marriage with my current wife I refused to give up on life God always walks beside me The church is my greatest blessing I also talk about incest family members molesting my daughters There were no male role models in my family Earn Your Love Keandre Curry,2019-05-02 Love is deep affection with deep effects Through its complexity love entails feelings of intense happiness fulfillment pain and regret In happiness love comprise us with an intensity of positive energy In fulfillment love propel us to feel valuable In pain love humbles our body mind and spirit In regret love teaches us vulnerability is the ultimate teacher of reality Love is all that you desire but thou must give before thy receives **THE PLEIADIAN PAPERS** Ed Russo,2007-09-10 The Pleiadian Papers lets you know that by taking 100%% personal responsibility for your life that you can make a difference in your life and others Talk on Pleiadian history space craft human origins Gravity Force essence of the soul energy centers and psychic powers This book is a gift for mankind that one day we can make a difference **Discover the Secret of True Love** Consolatus C.
