

A high-contrast, black and white close-up portrait of a man's face. The image is split vertically, with the left side of his face (from the viewer's perspective) being brightly lit and the right side being in deep shadow. He has a serious expression, looking directly at the camera. His eyes are dark and intense. He has a mustache and some stubble on his chin. The lighting creates a dramatic, almost sculptural effect on his facial features.
