**The Instrumental Music of Schmelzer, Biber, Muffat and their Contemporaries** Charles E. Brewer, 2016-12-05 Based on primary sources many of which have never been published or examined in detail this book examines the music of the late seventeenth century composers Biber Schmelzer and Muffat and the compositions preserved in the extensive Moravian archives in Kromeriz These works have never before been fully examined in the cultural and conceptual contexts of their time Charles E Brewer sets these composers and their music within a framework that first examines the basic Baroque concepts of instrumental style and then provides a context for the specific works The dances of Schmelzer for example functioned both as incidental music in Viennese operas and as music for elaborate court pantomimes and balls These same cultural practices also account for some of Biber's most programmatic music which accompanied similar entertainments in Kromeriz and Salzburg The many sonatas by these composers have also been misunderstood by not being placed in a context where it was normal to be entertained in church and edified in court Many of the works discussed here remain unpublished but have in

recent years been recorded This book enhances our understanding and appreciation of these recordings by providing an analysis of the context in which the works were first performed *The Piano in Chamber Ensemble, Third Edition* Maurice Hinson, Wesley Roberts, 2021-07-27 In this expanded and updated edition *The Piano in Chamber Ensemble An Annotated Guide* features over 3200 compositions from duos to octets by more than 1600 composers Maurice Hinson and Wesley Roberts catalog published works for piano with two or more instruments with information on performance level length individual movements overall style and publisher Divided into sections according to the number and types of instruments involved *The Piano in Chamber Ensemble* then subdivides entries according to the actual scoring Keyboard string woodwind brass and percussion players and teachers will find a wealth of chamber works from all periods in this invaluable guide *A Dictionary of Music and Musicians* George Grove, John Alexander Fuller-Maitland, 1890 **Piano Duet Repertoire** Cameron McGraw, 2016-05-09 Since the 1981 publication of the first edition Cameron McGraw's *Piano Duet Repertoire* has been a trusted guide for duet performers This second edition edited and substantially expanded by Christopher and Katherine Fisher brings the volume into the 21st century adding over 500 new or updated composer entries and nearly 1 000 new work entries to the volume a testament to the renewed interest in piano duet playing Entries are arranged alphabetically by composer and include both pedagogical and concert repertoire The annotations and the grade level indications provide piano teachers a wealth of instructional guidance The book also contains updated appendices listing collections and duet works with voice and other instruments This new edition features a title index and a list of composers by nationality making it a convenient and indispensable resource **Catalog of Copyright Entries** Library of Congress.
