Sonja Says Women Rule:

When Women Were Dragons Kelly Barnhill, 2022-05-03 A GOODREADS BEST BOOK OF THE YEAR A fiery feminist fantasy tale set in 1950s America where thousands of women have spontaneously transformed into dragons exploding notions of a woman's place in the world and expanding minds about accepting others for who they really are Ferociously imagined and as exhilarating as a ride on dragonback Lev Grossman bestselling author of *The Magicians Trilogy* Completely fierce unmistakably feminist and subversively funny Bonnie Garmus bestselling author of *Lessons in Chemistry* In the first adult novel by the New York Times bestselling author of *The Ogress* and *The Orphans* Alex Green is a young girl in a world much like ours except for its most seminal event the Mass Dragoning of 1955 when hundreds of thousands of ordinary wives and mothers sprouted wings scales and talons left a trail of fiery destruction in their path and took to the skies Was it their choice What will become of those left behind Why did Alex's beloved aunt Marla transform but her mother did not Alex doesn't know It's taboo to speak of Forced into silence Alex nevertheless must face the consequences of this astonishing event a mother more protective than ever an absentee father the upsetting insistence that her aunt never even existed and watching her beloved cousin Bea become dangerously obsessed with the forbidden In this timely and timeless speculative novel award winning author Kelly Barnhill boldly explores rage memory and the tyranny of forced limitations *When Women Were Dragons* exposes a world that wants to keep women small their lives and their prospects and examines what happens when they rise en masse and take up the space they deserve

Only Us Kat Canfield, 2014-11-06 *Only Us* tells the story of how love can prevail even under difficult circumstances After their marriage Madison and Saleem settle into their lives together But incidents from the past come back to haunt them Madison has had no contact with her ex husband since the day she walked out of the courtroom where he was convicted of battery and spousal abuse He's the last person she ever expected to see again Saleem's life was turned upside down twenty years ago when a woman he had an affair with named him the father of her child He never believed it but opted to financially support the girl Now twenty one his daughter calls him with news that will rock the newfound bliss of his marriage to Madison Both must face the past even as some of the world's worst criminals tear them apart Will they survive kidnapping murder and the Russian Mafia

German Women's Writing in the Twenty-first Century Hester Baer, Alexandra Merley Hill, 2015 Essays in this volume rethink conventional ways of conceptualizing female authorship and re-examine the formal aesthetic and thematic terms in which German women's literature has been conceived

The Legacy of Sonya Kovalevskaya Linda Keen, 1987 Sonya Kovalevskaya was a distinguished mathematician and considered by her contemporaries to be among the best of her generation This work contains background material about Kovalevskaya's life and work including a discussion of how she has been perceived by the mathematical community over the last century

Price of Honor Jan Goodwin, 2002-12-31 A NEW YORK TIMES NOTABLE BOOK Explains powerfully how Muslim women are affected by the rise of fundamentalism Dan Rather In recent years the expanding movement of militant

Islam has changed the way millions think behave dress and live but nowhere has its impact been more powerfully felt than in its dramatic often devastating effect on the lives of women Award winning journalist Jan Goodwin traveled through ten Islamic countries and interviewed hundreds of Muslim women from professionals to peasants from royalty to rebels The result is an unforgettable journey into a world where women are confined isolated even killed for the sake of a code of honor created and zealously enforced by men Price of Honor brings to life a world in which women have become pawns in a bitter power game and gives readers a provocative look inside Muslim society today in their own words [Lesbian Film Guide](#)

Religion, Politics and Gender in Indonesia Sonja van Wichelen,2010-06-10 The political downfall of the Suharto administration in 1998 marked the end of the New Order in Indonesia a period characterized by 32 years of authoritarian rule It opened the way for democracy but also for the proliferation of political Islam which the New Order had discouraged or banned Many of the issues raised by Muslim groups concerned matters pertaining to gender and the body They triggered heated debates about women s rights female political participation sexuality pornography veiling and polygamy The author argues that public debates on Islam and Gender in contemporary Indonesia only partially concern religion and more often refer to shifting moral conceptions of the masculine and feminine body in its intersection with new class dynamics national identity and global consumerism By approaching the contentious debates from a cultural sociological perspective the book links the theoretical domains of body politics the mediated public sphere and citizenship Placing the issue of gender and Islam in the context of Indonesia the biggest Muslim majority country in the world this book is an important contribution to the existing literature on the topic As such it will be of great interest to scholars of anthropology sociology and gender studies **eFiction June 2012** , Wild Sorceress Margaret L. Carter,Leslie Roy Carter,2016-08-08 In a world where warring nations use magic in combat years ago young sorceress Aetria s untamed power caused a disaster on the battlefield Temporarily banished and retrained she s returned to the army to redeem herself as head of a company of novice mages She uncovers a traitorous plot by her own commander renews her bond with her imaginary childhood friend and meets her long lost twin sister While also becoming a trusted friend of the commanding general of the army Aetria unearths secrets of the true nature of the magic she and her comrades wield Congressional Record United States. Congress,1995 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 *Jewish Child Soldiers in the Bloodlands of Europe* David M. Rosen,2022-03-03 This book is about the experiences of Jewish children who were members of armed partisan groups in Eastern Europe during World War II and the Holocaust It describes and analyze the role of children as activists agents and decision makers in a situation of extraordinary danger and stress The children in this book were hunted like prey and ran for their lives They survived by fleeing into the forest and swamps of Eastern Europe and joining anti German partisan groups The vast majority of these children were teenagers between ages 11 and 18 although some were younger They were by any definition child soldiers and that is the reason they lived to tell their tales The book will be of interest to general and academic audiences There is also great interest in children and childhood across disciplines of history and the social sciences

It is likely to spark considerable debate and interest since its argument runs counter to the generally accepted wisdom that child soldiers must first and foremost be seen as victims of their recruiters The argument of this book is that time place and context play a key role in our understanding of children s involvement in war and that in some contexts children under arms must be seen as exercising an inherent right of self defense

Women, Politics, and Power Pamela Paxton, Melanie M. Hughes, Tiffany D. Barnes, 2020-03-17 Women Politics and Power A Global Perspective provides a clear detailed introduction to women s political participation and representation across a wide range of countries and regions Through broad statistical overviews and detailed case study accounts the authors document both historical trends and the contemporary state of women s political strength Readers see the cultural structural political and international influences on women s access to political power and the difference women make once in political office The fourth edition includes the latest information available on women in politics around the world including current events as they have unfolded across the globe The newest thinking in the field is presented including on violence against women in politics Approach and Features Nine thematic chapters explain women s access to office in the executive legislative and judicial branches and why it matters Six chapters cover women s political power in specific geographic regions with recent research and events The book s intersectional perspective attends to the ways gender interacts with other forms of difference both throughout the volume and in a dedicated chapter A bounty of figures maps and tables provide visual accounts of the variations in women s access to political power around the world the growth in women s political power over time and persistent obstacles to gender equality in politics

Critical Perspectives on Abortion Anne C. Cunningham, 2017-07-15 Before the mid nineteenth century abortion was a legal and morally uncontested procedure in America available to most women Yet since the dawn of the twentieth century abortion has remained an ever present controversial issue Although it has been legal since 1973 thousands of new laws have been enacted across the United States to limit women's access to the procedure and the majority of these laws were passed between 2010 and 2015 This text gives students insight into the history of abortion and abortion rights presenting thoughtful analysis from political leaders and experts fighting for both sides of the issue to help students think critically about abortion and women's rights in America
