

Basketball

Courtside Chronicles

Upon the court, where sneakers squeak and slide,
The ball in flight, hopes soaring just as high.
Each pass and play, an artistry inside,
A dance of fierce resolve beneath the sky.

Defenders leap, their shadows merge and twist,
Offense with skill, they weave and they persist.
The clock ticks down, each second does insist,
A shot is made, a moment not to be missed.

From start to end, the players tell a tale,
Of sweat, of dreams, of wins, and some fails.
But in each game, their spirits never frail,
For in their heart, the love for hoops prevails.

Sonnets About Basketball:

Fast Break to Line Break Todd Davis, 2012 If baseball is the sport of nostalgic prose basketball's movement myths and culture are truly at home in verse In this extraordinary collection of essays poets meditate on what basketball means to them how it has changed their perspective on the craft of poetry how it informs their sense of language the body and human connectedness how their love of the sport made a difference in the creation of their poems and in the lives they live beyond the margins Walt Whitman saw the origins of poetry as communal oral myth making The same could be said of basketball which is the beating heart of so many neighborhoods and communities in this country and around the world On the court and on the page this poetry in motion can be a force of change and inspiration leaving devoted fans wonderstruck Garfield's Guide to Everything Jim Davis, 2013-07-30 In Garfield's Guide to Everything the philosophizing fat cat weighs in on a whole kit and caboodle of subjects from ecology to astrology Shakespeare to stupidity Sleep The best 18 hours of my day Coffee Mother Nature's Jumper Cables Dogs They contain 90% of the world's drool supply Love is splitting the last piece of pizza Exercise My favorite spectator sport Mondays The armpit of days Golf That's Scottish for AAARGH **The Cambridge Companion to the Sonnet** A. D. Cousins, Peter Howarth, 2011-02-03 Beginning with the early masters of the sonnet form Dante and Petrarch the Companion examines the reinvention of the sonnet across times and cultures from Europe to America In doing so it considers sonnets as diverse as those by William Shakespeare William Wordsworth George Herbert and e e cummings The chapters explore how we think of the sonnet as a lyric and what is involved in actually trying to write one The book includes a lively discussion between three distinguished contemporary poets Paul Muldoon Jeff Hilson and Meg Tyler on the experience of writing a sonnet and a chapter which traces the sonnet's diffusion across manuscript print screen and the internet A fresh and authoritative overview of this major poetic form the Companion expertly guides the reader through the sonnet's history and development into the global multimedia phenomenon it is today **Hoop Queens** Charles R. Smith, Jr., 2007-09-11 A collection of twelve poems that celebrate contemporary women basketball stars including Yolanda Griffith Chamique Holdsclaw and Natalie Williams *My Heartfelt Love Poems* Shanae Jones, 2014-12-30 In my way of my heart I thought that this would be the time to show the way I love poetry so much so I decided to write an all poetry book with love sonnets This book expresses my love that I have inside of me The love that I want to give and have Some are dark inspiring funny and memorable I speak in the words that my heart felt and that my mind could express Some poems are even fictional but all from my heart So please let this book touch your heart like my heart felt when she poured out *Passing into the present* Sinead Moynihan, 2013-07-19 This book is the first full length study of contemporary American fiction of passing Its takes as its point of departure the return of racial and gender passing in the 1990s in order to make claims about wider trends in contemporary American fiction The book accounts for the return of tropes of passing in fiction by Phillip Roth Percival Everett Louise Erdrich Danzy Senna Jeffrey Eugenides and Paul Beatty by arguing meta critical and meta fictional

tool These writers are attracted to the trope of passing because passing narratives have always foregrounded the notion of textuality in relation to the illegibility of black subjects passing as white The central argument of this book then is that contemporary narratives of passing are concerned with articulating and unpacking an analogy between passing and authorship Aimed at students and researchers it promises to inaugurate dialogue on the relationships between passing postmodernism and authorship in contemporary American fiction

Popular China Perry Link, Richard P. Madsen, Paul G. Pickowicz, 2001-12-11 Using ingenious research methods the contributors to this book explore the search for meaning among ordinary people in China today The subjects of these vivid essays span the social spectrum from hip young entrepreneurs to sweatshop workers and homeless beggars The issues are equally diverse ranging from domestic violence to homosexuality to political corruption The culture of popular China emerges as a mixture of exhilarating new aspirations as seen in the basketball fans who dream of flying like Michael Jordan or Kobe Bryant rueful cynicism as bitinglly conveyed in the many satirical jingles that circulate by word of mouth and painful ambivalence The people depicted here have built their popular culture out of ideas and symbolic practices drawn from old cultural traditions from concepts about modernity debated during the early twentieth century republican era from the legacies of Maoist socialism and from contemporary global culture Throughout the book shows how economic and social changes caused by globalization in combination with the continuing Party dictatorship have presented ordinary Chinese with a new array of
