Hickey, Susan A. Wunder, John R. Wunder, 2007-01-01 An account of defining Nebraska moments including surviving the Oregon and Mormon trails completing the Union Pacific Railroad and winning national football championships Nobel and Pulitzer prizes and presidential nominations *Mari Sandoz, Story Catcher of the Plains* Helen Winter Stauffer, 1982-01-01 As a historian and as a novelist Mari Sandoz 1896 1966 stands in the front rank of western writers in the words of John K Hutchens no one in our time wrote better than the late Mari Sandoz did or with more authority and grace about as many aspects of the old West This first full length biography is particularly concerned to show the relationship between Sandoz s life and experiences and her writing Drawing heavily on materials in the Mari Sandoz Collection at the University of Nebraska Lincoln correspondence to and from Sandoz her research notes and manuscripts and on interviews with dozens of Sandoz s friends and acquaintances the author not only establishes the facts of Sandoz s life but confirms her standing as a writer and historian *The Grove Encyclopedia of American Art* Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries **Letters of Mari Sandoz** Mari Sandoz, 1992-01-01 Mari Sandoz came out of the Sandhills of Nebraska to write at least three enduring books Old Jules Cheyenne Autumn and Crazy Horse the Strange Man of the Oglalas She was a tireless researcher a true storyteller an artist passionately dedicated to a place little known

and a people largely misunderstood Blasted by some critics revered by others for her vivid detail and depth of feeling Sandoz has achieved a secure place in American literature Her letters edited by Helen Winter Stauffer reveal extraordinary courage and zest for life Included here are letters written by Sandoz over nearly forty years from 1928 the year of her father's death and a critical one for her creative development to 1966 the year of her own death They allow memorable glimpses of the professional and private person her struggles to learn her craft in spite of an unsupportive family and hard won formal education her experiences in gathering material her relationships with editors and publishers her work with fledgling writers and her commitment to art and to various social concerns

Cold Warriors Suzanne Clark, 2000 *Cold Warriors* Manliness on Trial in the Rhetoric of the West returns to familiar cultural forces the West anticommunism and manliness to show how they combined to suppress dissent and dominate the unruliness of literature in the name of a national identity after World War II Few realize how much the domination of a white male American literary canon was a product not of long history but of the Cold War Suzanne Clark describes here how the Cold War excluded women writers on several levels together with others African American Native American poor men as well as women who were ignored in the struggle over white male identity Clark first shows how defining national individual American identity in the Cold War involved a brand new configuration of cultural history At the same time it called upon the nostalgia for the old discourses of the West the national manliness asserted by Theodore Roosevelt to claim that there was and always had been only one real American identity By subverting the claims of a national identity Clark finds many male writers risked falling outside the boundaries not only of public rhetoric but also of the literary world men as different from one another as the determinedly masculine Ernest Hemingway and the antiheroic storyteller of the everyday Bernard Malamud Equally vocal and contentious Cold War women writers were unwilling to be silenced as Clark demonstrates in her discussion of the work of Mari Sandoz and Ursula Le Guin The book concludes with a discussion of how the silencing of gender race and class in Cold War writing maintained its discipline until the eruptions of the sixties By questioning the identity politics of manliness in the Cold War context of persecution and trial Clark finds that the involvement of men in identity politics set the stage for our subsequent cultural history
