are the dramatic hours during which the judgment of Jesus is reproduced as well as the efforts of Herod and Pontius Pilate to rid themselves of the responsibility of having to condemn the Savior and his merciless torture and execution The human nature of what transpires in this book enters the readers mind during the scenes of the apostles at the Passover supper The supper is depicted as an astonishing event in a way that is different from what art and legend has instilled in us over the course of many centuries The reader will become familiar with Genesareth Lake the Mount of Olives diverse forest the pain experienced in the garden of Gethsemane the harsh torture at Golgotha and Samarias dusty roads realizing just how terrifying that Thursday night in Jerusalem shrouded in shadows was as the patrols carried out their search for Jesus
