Twin Of Ice English Edition:

The Ice Twins S.K. Tremayne,2015-05-19 In the tradition of *The Girl on the Train* comes the UK bestseller *The Ice Twins* a terrifying psychological thriller with a twisting plot worthy of Gillian Flynn One of Sarah's daughters died But can she be sure which one A year after one of their identical twin daughters Lydia dies in an accident Angus and Sarah Moorcroft move to the tiny Scottish island Angus inherited from his grandmother hoping to put together the pieces of their shattered lives But when their surviving daughter Kirstie claims they have mistaken her identity that she in fact is Lydia their world comes crashing down once again As winter encroaches Angus is forced to travel away from the island for work Sarah is feeling isolated and Kirstie or is it Lydia is growing more disturbed When a violent storm leaves Sarah and her daughter stranded they are forced to confront what really happened on that fateful day **Twins - English Version** Alex Water,2023-06-21 Alex kidnapped by the world's most terrifying cult is an outlandish character He remembers nothing but the horror in which he has long been trapped and conditioned to live Everything changes in the aftermath of an explosion with an unexpected arrival orchestrating his escape in time leading to him regaining his life his memories and his true nature In an enthralling adventure he receives help from a series of surreal and amusing characters each contributing to the mood of the story by turns jovial and tense Sarah a woman of action with tendencies verging on the psychopathic Indigo a wise and spontaneous man always shrouded in the fumes of his visionary hallucinogenic potions and finally Adouh the bearer of evil who has infected much of the world and who through manipulation and sex continues her advance taking her diabolical plan ever further The tone of the thriller resonates in the irony at times somewhat wicked that permeates the tale Ensuring that the climaxes of the novel never stay climatic for too long the off screen narrator over the top and irreverent acts as your guide immersing you in a story that will leave you laughing out loud and gasping for breath **Truth and Words** Gary Ebbs,2011-04-14 To clarify and facilitate our inquiries we need to define a disquotational truth predicate that we are directly licensed to apply not only to our own sentences as we use them now but also to other speakers sentences and our own sentences as we used them in the past The conventional wisdom is that there can be no such truth predicate For it appears that the only instances of the disquotational pattern that we are directly licensed to accept are those that define is true for our own sentences as we use them now Gary Ebbs shows that this appearance is illusory He constructs an account of words that licenses us to rely not only on formal spelling based identifications of our own words but also on our non deliberative practical identifications of other speakers words and of our own words as we used them in the past To overturn the conventional wisdom about disquotational truth Ebbs argues we need only combine this account of words with our disquotational definitions of truth for sentences as we use them now The result radically transforms our understanding of truth and related topics including anti individualism self knowledge and the intersubjectivity of logic *The Explorers (English Edition)* Kirsten Nimwey,2014-11-14 Note This book is the English Edition and the LATEST edition When the world's

fate is at stake a new breed of warriors will come Explorers one of the groups of selected best fighters in the entire universe who are called on and sworn to help restore and preserve what is left on the planet's surface and protect mankind from further devastation and chaos in hands of the invaders A group of legendary warriors called Explorers are King Jethro's guardians servants and protectors of human world and the entire universe But only fourteen chosen men are entrusted by the king of gods to become the possessors of his long lost elements to save the world from tribulation disorder and chaos Kenji Claude and Shingue start their real life adventures together after they finished their long training in a famous martial arts school With Valerie the four reach Sierra Village and they stay there for a while when Shingue receives a call from the Explorers When Kenji and Claude meet the Explorers the group challenges them to take their tests in order for them to become a part of their group And this is how their story begins Winner of NaNoWriMo 2014 Print edition is now available on Amazon https://www.amazon.com/Explorers-English-1-Kirsten-Nimwey/dp/150570152X/ref=la_B00GQVLDNA_1_4_tw_i_pap_2_s_books?ie=UTF8&qid=1477723240&sr=1_4 Like The Explorers Give it a high rating and review Visit and like The Explorers page on Facebook facebook.com/theexplorersseries Visit and like Kirsten Nimwey on Facebook facebook.com/kirstennimweyofficial Twitter twitter.com/kirstennimwey
