Somebody Else's Husband:

Marriage Is Not A Cure All, And That's For Sure Y'all! Gerrie Kurtz, 2008-03 Kurtz's nurturing enlightening work is sprinkled throughout with wisdom knowledge humor and common sense to enhance marriages and relationships Relationships Somebody Else's Man Daaimah S. Poole, 2011-09-06 After ending an affair with a married man and a friendship with longtime friend Tia Nicole falls in love with Derrick a single wealthy businessman but wonders whom to trust after Tia returns with harsh accusations against him **A Face in the Moon** Mitchell Waldman, 2000 A FACE IN THE MOON is available through iUniverse Amazon com Barnes and Noble com numerous other online book sites and may be ordered through any bookstore A FACE IN THE MOON is a look back at those lost days when colors seemed more vivid and when being in love seemed the only thing that mattered The narrator Jack Lohman is an inexperienced twenty two year old who was recently dumped by his first real girlfriend and is soon to leave graduate school for who knows what Enter Loni a bright eyed free spirited seventeen year old who has had more than her share of experience she lost her virginity on her fourteenth birthday has had more boyfriends and drugs than she cares to remember as well as a mental breakdown that she's trying her best to forget From the moment Jack meets Loni his life begins to change She teaches him how to laugh and makes him feel for perhaps the first time in his life that he can be loved without judgment Yet ironically it is Loni's harsh self evaluation that paralyzes her at times turning the carefree uninhibited woman child into a speechless listless teenager who laments the days when life used to be more fun She promises to tell Jack some day about her breakdown of the summer before but for now it's still too painful for her Meanwhile Jack loves her but wonders if she'll ever fully let him into her life A FACE IN THE MOON is a story about two young lovers struggling to find each other and their ways in the world And when a series of events keeps them apart longer than expected it becomes the story of whether their new love can survive the pressures of separation and emotional disturbance **Stupid Questions Asked of Jesus** Timothy L. Brinkley, 2011-02-19 Even the disciples were sometimes guilty of asking Jesus some pretty dumb questions This book is comprised of a collection of messages focusing on questions that various people asked the Lord and his profound responses Many of the basic truths of Christianity are confirmed and supported in what Jesus said as he answered these stupid questions Background information in the scripture context is also highlighted to further reveal the messages contained in the words of Christ **The Irving Younger Collection** Irving Younger, Stephen D. Easton, 2010 Irving Younger was a legend His unparalleled wisdom and insight were honed by experience on both sides of the bench as a law professor and as a prolific legal commentator and educator This collection from the ABA Section of Litigation is compiled from the Professional Education Group's recordings of Professor Younger's classic continuing legal education programs Timeless and relevant this anthology teaches and entertains a new generation of lawyers **The Athenaeum**, 1894 Modalities of Change James Wilkerson, Robert Parkin, 2012 While in some cases modernity may place traditional forms of expression at a disadvantage in others the modern

is embraced as a welcome source of new ideas that can be incorporated into tradition in order to change it while remaining within its own parameters This is actually likely to help a tradition survive Maintaining a strong and distinct cultural identity with the help of modernity helps representatives of that identity cope with the modern world more generally Assimilation to a dominant culture marked as modern by contrast is clearly associated with not only the loss of a distinct identity but also its specific forms of cultural expression This book explores the interface between modernity and tradition in selected societies in Taiwan mainland China and Vietnam The chapters question to what extent traditions are themselves exploiting modernity in creative ways in the interests of their own further developments
