Blanco, 2014-05 Three rabbit friends discover what they are best at Darcy finds no other rabbit can outperform him in digging Farold realizes that he is the best runner and Howell's long ears enable him to hear over very long distances Each of the three rabbits is very proud of their own ability and anticipates recognition from their friends When they meet each of them is only focused on talking about his own qualities without listening to the others Their individual beliefs that their own skills are the most important skill for a rabbit to have result in a loud and passionate argument that catches the attention of a hungry lynx The lynx captures the rabbits and takes them to his hut to cook them for lunch In order to have his hands free for the meal preparation the lynx puts the rabbits under a metal cage with a heavy rock on top to keep them from escaping He then goes about the process of meal preparation with the scared rabbits looking on Under pressure the story tells how the rabbits realize that individual skills are useless for an escape unless they combine their abilities A clever and well planned combination of Darcy's digging Farold's speed and Howell's listening skills might just work Tension rises as they put the plan into action all under the watchful eyes of the lynx who is anticipating a meal comprised of the three friends Several times the rabbits almost despair of being able to escape and indeed they escape the cauldron with not a minute to spare Discover yourself how the rabbits got into this dreadful situation all the effort it took to get away and what they learned through the experience Author Bio Sergio Blanco was born in Valparaiso Chile at the end of 1945 Since his early childhood he always loved stories those he was told by his father as well as the tales of adventures he soon learned to make up for his friends In 1978 he came to the US to study for a Ph D in Environmental Planning and has since done work teaching environmental sciences in the US as well as providing environmental consulting for multiple countries in Latin America Sergio liked coming up with many stories which he told to his three sons Cristian Nicolas and Daniel who each enjoyed several different tales growing up with different storylines and different characters Together is best is one such story Sergio currently lives in Philadelphia with his German wife Brigitte Key Words Adventure suspense children's book bedtime story skills competition cooperation friendship **Theology of Horror** Ryan G. Duns, SJ, 2024-10-15

Theology of Horror explores the dark reaches of popular horror films bringing to light their implicit theological and philosophical themes Horror films scare and entertain us but there's more to be found in their narratives than simple thrills Within their shadows an attentive viewer can glimpse unexpected flashes of orthodox Christian belief In Theology of Horror Ryan G Duns SJ invites readers to undertake an unconventional pilgrimage in search of these buried theological insights Duns uses fifteen classic and contemporary horror films including The Blair Witch Project A Nightmare on Elm Street Candyman and The Purge as doorways to deeper

reflection Each chapter focuses on a single film teasing out its implicit philosophical and theological themes As the reader journeys through the text a surprisingly robust theological worldview begins to take shape as glimmers of divine light emerge from the darkness Engaging and accessible Theology of Horror proves that rather than being the domain of nihilists or atheists the horror film genre can be an opportunity for reflecting on things visible and invisible as Christians profess in the Nicene Creed **Hearings** United States.
