These Boys and Their Fathers Don Waters, 2019-10-01 In 2010 Don Waters set out to write a magazine story about a surfing icon who had known his absentee father It was an attempt to find a way of connecting to a man he never knew He didn't imagine that the story would become a years long quest to understand a man who left behind almost nothing except for a self absorbed autobiography for his abandoned son These Boys and Their Fathers touches on Waters's early life with his single mother and her string of dysfunctional men and his later search for and encounters with his father but it quickly expands into a gripping account of the life of a 1930s pulp writer also named Don Waters with whom Waters becomes obsessed This wildly original book blends memoir investigative reporting and fiction to sort out difficult aspects of family masculinity and what it means to be a father

A Pedagogist's Memoir Grant Rodwell, 2025-10-07 Opportunities to write our memoirs are many and varied. To meet emerging demands, the memoir genre continually is evolving, and it is possible for the memoirist to shape the memoirs with varying themes, time, and settings to be brought to bear on school education at a senior level and for a range of teacher development programs. Thus, the developing importance of an accompanying exegesis. For better or for worse, childhoods shape adult relationships and attachment styles, profoundly shaping who we are as teachers, teaching styles, and generally the things we consider important and not so important. The shape of our childhood and adolescence has a profound impact on how relationships are formed in adulthood. It can affect our ability to trust, be vulnerable, and create productive bonds both at school and college and professionally, and also our general levels of motivation. Through the aforementioned theme and subthemes, my memoirs here reveal how childhood struggle has shaped my approach to teaching and my academic career, from an unskilled labourer from the country, working class in the timber industry, deprived of a high school education and recruited into the workforce at 15 years of age to a senior academic in one of Australia's G8 universities, holding five PhDs. With strong historical backgrounding, a special appeal of this book is its drive to place childhood and adolescent events contained in the memoirs in a wider historical context, looking to transnational movements such as discussions on anachronisms and eugenics. In so doing, the exegesis, a fresh and exciting innovation, is in harmony with the memoirs. The memoir is so refashioned as a pedagogical tool.

Memoirs of John Bacon, Esq. R.A. Richard Cecil,1822 **The Law Times** ,1846 *Victory Fever on Guadalcanal* William H. Bartsch,2014-10-01 Following their rampage through Southeast Asia and the Pacific in the five months after Pearl Harbor Japanese forces moved into the Solomon Islands intending to cut off the critical American supply line to Australia But when they began to construct an airfield on Guadalcanal in July 1942 the Americans captured the almost completed airfield for their own strategic use The Japanese Army countered by sending to Guadalcanal a reinforced battalion under the command of Col Kiyonao Ichiki The attack that followed would prove to be the first of four attempts by the Japanese over six

months to retake the airfield resulting in some of the most vicious fighting of the Pacific War During the initial battle on the night of August 20 21 1942 Marines wiped out Ichiki's men who imbued with victory fever had expected a quick and easy victory William H Bartsch draws on correspondence interviews diaries memoirs and official war records including those translated from Japanese sources to offer an intensely human narrative of the failed attempt to recapture Guadalcanal's vital airfield *Catalogue of the Library of the Young Men's Christian Association of the City of New York, Circulating Department, July 1900* Young Men's Christian Association of the City of New York.
