**Figurative Language Music Log Book** by composition musics, 2021-08-14 can you imagine how crazy songs would sound if you interpreted their lyrics literally Songwriters have their way of bending language to create depth and meaning Figurative language makes songs more pleasing to the ears More importantly it compels listeners to decode exactly what the lyrics are all about Many songwriters have admitted that at times they'd just write whatever they thought sounded good even if they didn't understand the words So if you're the kind of person who always looks for the meaning behind the songs you listen to you might not be doing anything other than running around in circles Still I find this activity incredibly fun Analyze the song lyrics and list down at least 10 phrases that show figurative language techniques Identify if the phrase is a simile metaphor alliteration hyperbole etc Print Options Interior paper type black and white interior with white paper Trim Size 6 x 9 in Pages 100 pages Cover Type Paperback book cover Template Paperback cover finish Matte Perfect Bound
