A Graduation Wish For My Son

With all my heart, I wish for you...
That every dream you dream comes true.
I wish you time to work and play,
To find some beauty in each day.

I wish you peace and happiness,
And patience when you're feeling stressed.
And if you're just a little down,
May you have friends who come around.

I wish you laughter in your life,
And freedom from a lot of strife.
And great professors who can teach,
The kind that make you "stretch" and "reach."

I wish you four AMAZING years,
To question things, to conquer fears.
I wish you guidance from above,
I wish you joy...I wish you love.

I wish you "vision" as you go,
To help you soar, to help you grow.
And when it all is said and done,
You will succeed!...I love you, Son!

Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.
