Introduction

Thank you for purchasing Original Series Large Round speakers. When properly installed, these speakers will give you many years of entertainment pleasure. To get the most out of your new speakers, please read this manual thoroughly before you begin installation.

To achieve the best performance, Sonance recommends that these speakers be installed by a Sonance Authorized Dealer/Installer.

- Place the left & right speakers at least 2 to 3 feet (60 - 90 cm) away from the side walls.
- The main listening position should be between 4 and 10 feet (1.2 - 3 m) away from the speakers.
- If necessary, pivot the Sonic Eye (tweeter) and the woofer of each speaker towards the listening position to maximize the soundstage.
