

Song Of The Pearl

Eric Lane, Nina Shengold

Song Of The Pearl:

The Gnostic Bible Willis Barnstone, Marvin W. Meyer, 2006 The most comprehensive collection of gnostic literature ever published this volume is the result of a unique collaboration between a renowned poet translator and a leading scholar of early Christian texts

Literature and the Child James Holt McGavran, James Holt McGavran, 1998-04 The Romantic myth of childhood as a transhistorical holy time of innocence and spirituality uncorrupted by the adult world has been subjected in recent years to increasingly serious interrogation Was there ever really a time when mythic ideals were simple pure and uncomplicated The contributors to this book contend although in widely differing ways and not always approvingly that our culture is indeed still pervaded in this postmodern moment of the very late twentieth century by the Romantic conception of childhood which first emerged two hundred years ago In the wake of the French Revolution and the Industrial Revolution western Europe experienced another fin de siècle characterized by overwhelming material and institutional change and instability By historicizing the specific political social and economic conflicts at work within the notion of Romantic childhood the essayists in *Literature and the Child* show us how little these forces have changed over time and how enriching and empowering they can still be for children and their parents In the first section *Romanticism Continued and Contested* Alan Richardson and Mitzi Myers question the origins and ends of Romantic childhood In *Romantic Ironies Postmodern Texts* Dieter Petzold Richard Flynn and James McGavran argue that postmodern texts for both children and adults perpetuate the Romantic complexities of childhood Next in *The Commerce of Children's Books* Anne Lundin and Paula Connolly study the production and marketing of children's classics Finally in *Romantic Ideas in Cultural Confrontations* William Scheick and Teya Rosenberg investigate interactions of Romantic myths with those of other cultural systems

Essential Gnostic Scriptures Willis Barnstone, Marvin Meyer, 2010-12-28 The people we've come to call gnostics were passionate advocates of the view that salvation comes through knowledge and personal experience and their passion shines through in the remarkable body of writings they produced over a period of more than a millennium and a half Willis Barnstone and Marvin Meyer have created a translation that brings the gnostic voices to us from across the centuries with remarkable power and beauty beginning with texts from the earliest years of Christianity including material from the Nag Hammadi library and continuing all the way up to expressions of gnostic wisdom found within Islam and in the Cathar movement of the Middle Ages The twenty one texts included here serve as a compact introduction to Gnosticism and its principal ideas and they also provide an entrance to the pleasures of gnostic literature in general representing as they do the greatest masterpieces of that tradition

Studies in Manichaean Literature and Art Manfred Heuser, H. J. Klimkeit, 1997-12-31 This volume consists of two sections The first is a general analysis by Manfred Heuser of *The Manichaean Myth According to Coptic Sources* The second is a collection of essays by Hans Joachim Klimkeit on various aspects of Manichaeism including Manichaean symbolism and art

The Song Of The Pearl Wesley Stillwagon Sr, 2019-06-10 John Steinbeck's *The Pearl* includes many

reference to songs that accompany the perceptions of a central character named Kino. It is important to note that the writer used the term song and as such implied something greater than a single musical note, chord, or phrase. He was referring to a streaming complex of feeling, tones, a melody, or song. Such streaming influences from the unconscious may impact an individual's perception, judgment, decisions, and conclusions often before they are able to explain their reaction. While many can relate to such experiences, understanding the source and purpose could enrich the experience. How the unconsciously inspired influences impact us depends upon our individual adult maturity, functional style, and attitude. An example of such influences are regularly employed in film and stage plays. To unify an influence among individual audience members, a well-developed film or stage play's musical score serves to bring together audience feeling tones to support a scene. It may dramatically increase the viewing experience across a wide range of individual styles. This essay introduces the conceptual tools to build an understanding and appreciation for such influences. The essay could be used as supporting evidence for greater funding for the arts in education.

Pearl's Ocean Magic (Dolphin School #1) Catherine Hapka, 2016-06-28. Going to dolphin school under the sea is a magical experience for Pearl and her friends. Pearl is a magical dolphin of the Salty Sea and today is her first day of school. Her classmates Echo and Splash make great new friends. Together they start learning dolphin skills like magic, music, and jumping. But another student Flip just won't stop bragging. And when he accepts a dare from an older student, he ends up in terrible danger from a shark. Can Pearl and her friends save him? It's an exciting first day at Dolphin School.

The Songs that Fought the War John Bush Jones, 2006. A lively social history of popular wartime songs and how they helped America's home front morale.

Plays for Two Eric Lane, Nina Shengold, 2014-03-25. Plays for Two is a unique anthology of twenty-eight terrific plays for two actors by a mix of celebrated playwrights and cutting-edge new voices. It takes two to tango or to perform a duet, fight a duel, or play ping pong. The two-character play is dramatic confrontation stripped to its essence. These four full-length and twenty-four short plays feature pairs of every sort: strangers, rivals, parents, and children, siblings, co-workers, friends, and lovers swooning or sparring, meeting, cute, or parting ways. In a dizzying range of moods and styles, these two hands offer the kind of meaty, challenging roles actors love while providing readers and audiences with the pleasures of watching the complex give and take dynamics of two keenly matched characters. Plays by Billy Aronson, David Auburn, Pete Barry, Naveen Bahar, Choudhury Anthony, Clarvoe Steven, Dietz Halley, Feiffer Simon, Fill Frank, Higgins David, Ives Jacob, Juntunen Ean, Miles Kessler, Neil LaBute, Eric Lane, Kitt Lavoie, Jacqueline E. Lawton, Mark Harvey, Levine Elizabeth, Meriwether Michael, Mitnick Daria, Polatin Marco, Ramirez Kelly, Rhodes Jose, Rivera Paul, Rudnick Edwin, Sanchez Nina, Shengold Cori, Thomas Doug, Wright.
