

SONGS FOR THE LOST

The background of the entire image is a complex, abstract composition. It features a cityscape at the top and bottom, rendered in a muted, greyish-brown tone. Overlaid on this are numerous thin, black, swirling lines that create a sense of motion and depth. A prominent, large, black, oval shape is positioned in the center, containing a detailed, high-contrast image of a city street scene with buildings and figures. This central oval is surrounded by other smaller, black, oval shapes of varying sizes. The overall color palette is dominated by greys, blacks, and a touch of red, which is used as a horizontal band behind the title.
