A Photographer's Guide to Ohio, Volume 2 Ian Adams, 2015-05-15

Ian Adams is perhaps the best-known landscape photographer in Ohio, and in the first volume of *A Photographer's Guide to Ohio* he shared his knowledge of what to photograph in the Buckeye State and how to photograph it. Now in this second volume, Adams expands on his previous work, adding over 120 natural features, scenic rivers and byways, zoos and public gardens, historic buildings and murals, and even winter lighting displays to the list of places to visit and photograph in Ohio. In addition to advice on photographing landscapes, he offers tips for capturing excellent images of butterflies and dragonflies. Recognizing the rapid development of new technologies, Adams includes pointers on smartphone photography, lighting, and composition, digital workflow, and sharing images across a variety of platforms. The book is illustrated with more than 100 color photographs. Comprehensive and concise, these two volumes make up a travel and photography guide to almost 300 of Ohio's most noteworthy and beautiful outdoor places.

The Enigmatic Realm of **Sony Alpha 35guide**: Unleashing the Language is Inner Magic
