Videojournalism Kenneth Kobre, 2013-01-17 Videojournalism is a new field that has grown out of traditional print photojournalism, slideshows that combine sound and pictures, public radio documentary filmmaking and the best of television news features. This amalgam of traditions has emerged to serve the Internet's voracious appetite for video stories. Videojournalism is written for the new generation of backpack journalists. The solo videojournalist must find a riveting story, gain access to charismatic characters who can tell their own tales, shoot candid clips expertly, interview the players, record clear, clean sound, write a script with pizzazz and finally edit the material into a piece worthy of five minutes of a viewer's attention. Videojournalism addresses all of these challenges and more, never losing sight of the main point: telling a great story. This book, based on extensive interviews with professionals in the field, is for anyone learning how to master the art and craft of telling real short form stories with words, sound and pictures for the Web or television. The opening chapters cover the foundations of multimedia storytelling and the book progresses to the techniques required to shoot professional video and

record high quality sound and market the resulting product Videojournalism also has its own website go to just one URL and find all the stories mentioned in the book You also will find various how to videos on the site To keep up with the latest changes in the field such as new cameras new books new stories or editing software check the site regularly and like [www.facebook.com KobreGuide](http://www.facebook.com/KobreGuide) *HWM* ,2006-05 Singapore s leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews *HWM* ,2005-06 Singapore s leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews *iMovie 4 & iDVD* David Pogue,2004 This volume covers every step of iMovie video production from choosing and using a digital camcorder to burning the finished work onto CDs This book helps iMovie 3 users realize the software s potential as a breakthrough in reducing the cost complexity and difficulty of desktop video production *Popular Photography* ,1996-10 *Television Engineers' Field Manual* Jerry C.
