**Midlife Sight** Lia Davis, L.A. Boruff, 2023-07-26 Despite her endless attempts to pull Blair Braden back into hunter life Lily Walker and Blaire are fast becoming friends The only thing they don't see eye to eye on is Blair's retirement And Blair is retired thanks very much But when Pearl Walker aka Granny Ice Queen aka the matriarch of the hunters selects Blair to be the new liaison between the shifters and the hunters Blair's hiatus from hunting is no longer permanent When Pearl says jump nobody keeps their feet on the ground Not even the long retired Blair As Blair scrambles out of retirement she finds herself having insanely powerful visions and an irresistible desire to help the objects of them As soon as she meets the man in her first vision she can't stop thinking about him The handsome alpha wolf wants nothing to do with her but at least she can help save his pack These are precisely the kinds of complications she has no inclination for Meanwhile Lily seems intent on keeping up with Reed the second in command of Lachlan's wolf pack The chip on his shoulder really ought to deter her but after attending her first pack shift Lily is hooked on Reed and the pack And speaking of the pack Lachlan's now acting weird Meggan knows why but she's not telling Blair will get to the bottom of it or else her bestie baby daddy will have to tangle with her new familiar slash annoyance Time to find out if Gil the gnome can do more than just keep Blair on her toes

**Midlife Hotspots** Lia Davis, L.A. Boruff, 2023-07-26 Antique store owner and ostracized paranormal hunter Blair Braden lives a quiet small town life running her antique shop and minding her business The hunter guild gave her the boot thirty years ago when they discovered she was pregnant with a half shifter baby Since then the wolf pack her daughter belongs to has become her extended family complete with fur fangs and claws Life is good and drama free Until Lachlan James her baby daddy Alpha of the local wolf pack and a very good friend comes to her for help One of his wolves is being haunted and Blair is just the non hunter for the job She's got an affinity for hauntings despite not technically being a hunter anymore Of course she has to help It's not like she has a ton of things to do herself like selling her antiques keeping an eye out for cursed objects and trying to figure out if her shop is being haunted There are strange things happening that's for sure She'll drop everything and help the haunted wolf because that's the right thing to do And Blair always does the right thing *Midlife*

*Accomplice* Lia Davis, L.A. Boruff, 2023-07-26 Blair Braden was retired Now that Pearl has succeeded in her efforts to pull Blair back into the hunter folds Blair can no longer say she's a retired hunter She's the new liaison between the shifters and the hunters That's right folks the entire shifter community now has to come to Blair for anything they need with the hunters Or complaints about the hunters Or questions about the hunters Or requests for aid Really the list can go on Although none of the shifters want much to do with the hunters What surprises her is when the hunters start calling her with millions of questions about shifters Blair just might have to enlist her daughter as her co liaison After all Meggan is half shifter half hunter Blair welcomes the distraction away from the hot alpha biker wolf Maddox who happens to be her mate The big grumpy man baby is set on ignoring the mating pulling which is fine with Blair For now Because so far her visions have come

true It s all going to be okay Blair can handle anything including unretiring selling cursed antiques finding ghosts a grumpy wolf a love struck wolf and a grumpy love struck wolf After all she has a genie now whatever the world that means Lily Walker s life is full Full of monsters rogues and family She can t ever say it s boring right Fighting paranormal creatures on a daily basis ensured not one whit of boredom She loves every minute of it Then an argument and one kiss with a grouchy ginger beta wolf throws her whole world upside down Instead of dealing with all the emotional junk Lily throws herself into her business hunting ghosts with her new bestie Blair Their first case is a poor woman who refuses to accept she s dead plus their social media pages are getting views every day bringing in more customers for both the antique shop and the ghost hunting biz The whole thing provides the perfect distraction from Reed and his stupid kissable lips Seriously the struggle Is Real Blair and Lily are going to have to come to terms with what fate is throwing their way sooner or later There are only so many distractions in the world even with Gil granting wishes and Grandmother Pearl interfering All they need now is for Luci to pop in and complicate matters Oh wait

Women, Subalterns, and Ecologies in South and Southeast Asian Women's Fiction Chitra Sankaran,2021-11-01 In recent decades East Asia has gained prominence and has become synonymous with Asia while other Asian regions such as South and Southeast Asia have been subsumed under it The resultant overgeneralization has meant that significant aspects of the global ecological crisis as they affect these two regions have been overlooked Chitra Sankaran refocuses the global lens on these two rapidly developing regions of Asia Combining South Asian and Southeast Asian philosophical views and folk perspectives with mainstream ecocritical and ecofeminist theories she generates a localized critical idiom that qualifies and subverts some established theoretical assumptions This pioneering study introducing a corpus of more than thirty ecofictions by women writers from twelve countries in South and Southeast Asia examines how recent global threats to ecosystems in both nature and culture impact subdominant groups including women This new corpus reveals how women and subalterns engage with various aspects of critical ecologies Using ecofeminist theory augmented by postcolonial and risk theories as the main theoretical framework Sankaran argues that these women writers present unique perspectives that review Asian women s relationships to human and nonhuman worlds

**The Novel, Volume 1** Franco Moretti,2006 Publisher Description *Transcultural Encounters in South-Asian American Women's Fiction* Adriana Elena Stoican,2015-09-18 This book offers captivating insights into the interaction between the Indian and the American cultural worlds A fascinating work of research it illustrates an extraordinary capacity to employ the details of literary texts as significant clues in understanding the configuration of transcultural identities The book constructs an exciting dialogue between complex theoretical notions and the vibrant fictional worlds populated by Indian American and European characters Its original and multi layered approach illustrates how complex theories of culture can help the reader understand contemporary processes of migration cultural change and gender identity that interfere with daily life
